EXPLANATORY STATEMENT PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013

ITEM NO. 3

M/s RSPH & Associates, Chartered Accountant (FRN 003013N) who was appointed as statutory auditors of the company by the members in their 26th Annual General Meeting of the company held on September 20, 2021 tendered their resignation from the position of Statutory Auditors vide their resignation letter dated August 6, 2022 resulting into a casual vacancy in the office of Statutory Auditors of the Company as envisaged by Section 139(8) of the Companies Act, 2013 and such casual vacancy caused by the resignation of auditor can be filled by the shareholders in General Meeting within three months from the date of recommendation of the Board of Directors of the Company.

Therefore, the Board of Directors of the Company recommended at its meeting held on September 03, 2022, that M/s. KSMC & Associates, Chartered Accountants, (FRN: 003565N) be appointed as the Statutory Auditors of the Company to fill the casual vacancy caused by the resignation of M/s RSPH & Associates, Chartered Accountant and to appoint M/s. KSMC & Associates, Chartered Accountants for a period of 5 consecutive years from the conclusion of the 27th Annual General Meeting till the conclusion of 32nd Annual General Meeting which ought to be held in the year 2027.

M/s. KSMC & Associates, Chartered Accountants, have conveyed their consent to be appointed as the Statutory Auditors of the Company along with a confirmation that, their appointment, if made by the members, would be within the limits prescribed under the Companies Act, 2013.

The terms of appointment including remuneration payable to the Statutory Auditors will be as specified by the Audit Committee & the Board of Directors of the Company.

The Audit Committee and the Board of Directors of the Company have considered the following credentials of M/s. KSMC & Associates, Chartered Accountants while considering their appointment:

- Availability of expertise in Accounting procedures/ processes, Audit, Direct/Indirect Taxation and Corporate Laws.
- Professional integrity, ethics and independence.
- Availability of well trained and experienced professionals.

The Board of Directors of your Company, therefore, recommend the Resolution set out in item No. 3 of this Notice for the approval of the members by way of passing an Ordinary Resolution.

None of the Director(s), Key Managerial Personnel and their relatives is, in any way, concerned or interested, financially or otherwise, in the above referred resolution except to the extent of their shareholding.

ITEM NO. 4

The Board of Directors at its Meeting held on May 28, 2022, upon the recommendation of the Audit Committee, approved the appointment of M/s. Niraj Kumar Vishwakarma & Associates (Registration No: 003450), to conduct the audit of the Cost records of the Company on a remuneration of Rs. 1,20,000/- per annum (Rupees One Lakh Twenty Thousand only) plus taxes & reimbursement of out of pocket expenses for the financial year ending March 31, 2023.

In terms of the provisions of Section 148 of the Companies Act, 2013 read with Rule 14 of the Companies (Audit and Auditors) Rules, 2014 (as amended or re-enacted from time to time) the remuneration as mentioned above, payable to the Cost Auditor is required to be ratified by the Members of the Company.

Accordingly, the Members are requested to approve the remuneration payable to the Cost Auditors for the financial year ending March 31, 2023, as set out in the item No. 4 of this Notice by means of passing an Ordinary Resolution for the aforesaid services to be rendered by them.

None of the Directors or Key Managerial Personnel of the Company and/or their relatives is concerned or interested, financially or otherwise, in the resolution set out at Item No. 4 of the Notice, except to the extent of their shareholding, if any.

ITEM NO. 5

In accordance with the provisions of Section 161(1) of the Companies Act, 2013 read with the Articles of Association of the Company, Mr. (Dr.) Sundeep Kumar Dhawan (DIN: 09508137) was appointed as an Additional Director (Executive Director) on the Board of the Company with effect from February 16, 2022. In terms of Section 161 of the Companies Act, 2013, they are eligible to hold office only up to the conclusion of the ensuing Annual General Meeting.

The Board based on the recommendation of Nomination and Remuneration Committee, is of the view that the appointment of Mr. Sundeep Kumar Dhawan as a Director of the Company is desirable and would be beneficial to the Company. Mr. Sundeep Kumar Dhawan is not disqualified from being appointed as a Director in terms of Section 164 of the Act and has given his consent to act as a Director.

The Board of Directors recommended the appointment of Sundeep Kumar Dhawan, who being eligible offered himself for appointment. Every Director has to be appointed by the Company in General Meeting in terms of the provisions of Section 152 of the Companies Act, 2013. Therefore, the Board proposes to obtain the approval of shareholders by way of passing an Ordinary Resolution.

The Board recommends the resolution set forth in Item No. 5 for the approval of the members.

None of the Directors or Key Managerial Personnel of the Company and/or their relatives except Mr. Sundeep Kumar Dhawan, to whom the resolution relates, is concerned or interested, financially or otherwise, in the resolution set out in the Notice.

ITEM NO. 6

Based on the recommendation of the Nomination and Remuneration Committee, the Board of Directors of your Company in its meeting held on February 16, 2022 appointed Mr. (Dr.) Sundeep Kumar Dhawan (DIN: 09508137) as a Managing Director of the Company for a term of five years commencing from February 16, 2022 to February 15, 2027 (both days inclusive) subject to members in the ensuing Annual General Meeting of the Company.

The Board, while appointing Mr. (Dr.) Sundeep Kumar Dhawan as Managing Director of the Company, considered his rich background, experience and contributions towards the growth of the Company. Dr. S K Dhawan has been Ex-Emeritus Scientist, Ex-Chief Scientist & Professor AcSIR till recently and continuing as Chairman, Solid Waste & Plastic Waste Management Group (CPCB). His core activity areas have been Conducting Polymers, Conducting Polymer, Composites for EMI shielding & ESD, Smart self-healing & Super hydrophobic coatings, OLED's, Ferromagnetic Conducting composites, Storage Energy, Waste Plastic Management, Oil Spill Control, Energy Storage.

The brief profile and specific areas of expertise of Mr. (Dr.) Sundeep Kumar Dhawan are provided as **Annexure A** to this Notice.

The main terms and conditions relating to the appointment and remuneration of Mr. (Dr.) Sundeep Kumar Dhawan as Managing Director of the Company are as follows:

(1) Term of Appointment:

For a period of 5 years i.e. from February 16, 2022 to February 15, 2027.

(2) Nature of Duties:

The Managing Director shall devote his whole time and attention to the business of the Company and perform such duties as may be entrusted to him by the Board from time to time and separately

communicated to him and exercise such powers as may be assigned to him, subject to superintendence, control and directions of the Board in connection with and in the best interests of the business of the Company.

(3) A. Remuneration

Salary, benefits, perquisites and allowances as per the Company policy with periodic increment as may be mutually agreed between the Board and Mr. (Dr.) Sundeep Kumar Dhawan based on the recommendations of the Nomination and Remuneration Committee ('NRC') Monthly remuneration of Rs. 1,50,000/- per month.

Further, his annual increment which will be decided by the Board based on the recommendations of the Nomination and Remuneration Committee ('NRC'). The recommendation of NRC will be based on Company performance and individual performance.

B. Minimum Remuneration:

Notwithstanding anything to the contrary herein contained where in any financial year during the tenure of Mr. (Dr.) Sundeep Kumar Dhawan, the Company has no profits or its profits are inadequate, the Company will pay him aforesaid remuneration by way of salary, benefits and perquisites and allowances, bonus etc. as minimum remuneration in terms Part II of Schedule V of Companies Act, 2013.

(4) Other Terms of Appointment:

- a. The Managing Director, so long as he functions as such, undertakes not to become interested or otherwise concerned, directly or through his spouse and/or children, in any selling agency of the Company.
- b. The terms and conditions of the appointment of the Managing Director and/or this Agreement may be altered and varied from time to time by the Board as it may, in its discretion deem fit, irrespective of the limits stipulated under Schedule V to the Act or any amendments made hereafter in this regard in such manner as may be agreed to between the Board and the Managing Director, subject to such approvals as may be required.
- c. All Personnel Policies of the Company and the related rules which are applicable to other employees of the Company shall also be applicable to the Managing Director unless specifically provided otherwise.
- d. The appointment may be terminated earlier, without any cause, by either Party by giving to the other Party six months' notice of such termination or the Company paying six months' remuneration which shall be limited to provision of Salary, Benefits, Perquisites, Allowances and any pro-rated Bonus/ Performance Linked Incentive/Commission (paid at the discretion of the Board), in lieu of such notice.

Further, the employment of the Managing Director may be terminated by the Company without notice or payment in lieu of notice, if he is found guilty of any gross negligence, default or misconduct in connection with or affecting the business of the Company or in the event of any serious or repeated or continuing breach (after prior warning) or non-observance by him of any of the stipulations, instructions of the Board or in the event the Board expresses its loss of confidence in the Managing Director.

- e. The terms and conditions of appointment of Managing Director also include clauses pertaining to adherence to the Company's Code of Conduct, protection and use of intellectual property, noncompetition, non-solicitation post termination of agreement and maintenance of confidentiality etc.

In compliance with the provisions of Section 196, 197, 203 and other applicable provisions of the Act, read with Schedule V to the Act as amended, and based on the recommendation of the Board and the Nomination and Remuneration Committee, approval of the Members is sought for the appointment and remuneration of Mr. (Dr.) Sundeep Kumar Dhawan as Managing Director as set out above. The Board recommends the Resolution as set out in Item No. 6 of the Notice for the approval of Members by means of passing a special resolution.

None of the Directors or Key Managerial Personnel of the Company and/or their relatives except Mr. (Dr.) Sundeep Kumar Dhawan, to whom the resolution relates, is concerned or interested, financially or otherwise, in the resolution set out in the Notice.

ITEM NO. 7

Based on the recommendation of Nomination and Remuneration Committee and a notice in writing received from a Member, pursuant to the provisions of Section 160 of the Act, signifying the intention to propose the candidature of Mr. Chandan Kumar (DIN: 08139239) for the office of Director, the board of directors in their meeting held on September 3, 2022 recommended the appointment of Mr. Chandan Kumar (DIN: 08139239) as a Director (Executive Category) of the Company at the ensuing Annual General Meeting in terms of the provisions of Section 152 of the Companies Act, 2013.

The Board after considering Mr. Chandan Kumar's rich experience and domain knowledge, is of the view that the appointment of Mr. Chandan Kumar as a Director of the Company will boost professionalism and strengthen the board. Mr. Chandan Kumar is not disqualified from being appointed as a Director in terms of Section 164 of the Act and has given his consent to act as a Director. Brief profile and other details of Mr. Chandan Kumar is provided as part of this notice as **Annexure A**.

The Board recommends the resolution set forth in Item No.7 for the approval of the members by way of passing an Ordinary Resolution.

None of the Directors or Key Managerial Personnel of the Company and/or their relatives to whom the resolution relates, is concerned or interested, financially or otherwise, in the resolution set out in the Notice.

ITEM NO. 8

In accordance with the provisions of Section 161(1) of the Companies Act, 2013 read with the Articles of Association of the Company Mrs. Ruby Bansal (DIN: 09338232) was appointed as an Additional Director (Independent, Non-executive) on the Board of the Company with effect from September 24, 2021. In terms of Section 161 of the Companies Act, 2013, they are eligible to hold office only up to the conclusion of the ensuing Annual General Meeting.

The Board based on the recommendation of Nomination and Remuneration Committee, is of the view that the appointment of Mrs. Ruby Bansal as a Director of the Company is desirable and would be beneficial to the Company. Mrs. Ruby Bansal is not disqualified from being appointed as a Director in terms of Section 164 of the Act and has given her consent to act as a Director.

The Board of Directors recommended the appointment of Mrs. Ruby Bansal, who being eligible offered herself for appointment. Every Director has to be appointed by the Company in General Meeting in terms of the provisions of Section 152 of the Companies Act, 2013. Therefore, the Board proposes to obtain the approval of shareholders by way of passing an Ordinary Resolution.

The Board recommends the resolution set forth in Item No. 8 for the approval of the members.

None of the Directors or Key Managerial Personnel of the Company and/or their relatives, except Mrs. Ruby Bansal, to whom the resolution relates, is concerned or interested, financially or otherwise, in the resolution set out in the Notice, except to the extent of their shareholding, if any.

ITEM NO. 9

The Board of Directors of the Company, on the recommendation of the Nomination and Remuneration Committee, appointed Mrs. Ruby Bansal (DIN: 09338232) as Additional Director of the Company with effect from September 24, 2021 in accordance with Section 161 of the Act. She holds office up to the date of ensuing Annual General

Meeting of the Company. The Company has received a notice in writing under Section 160 of the Act from a member proposing her candidature for the office of Non-executive Independent Director.

The Board of Directors recommends appointment of Mrs. Ruby Bansal as an Independent (Non-executive) Director of the Company. Mrs. Ruby Bansal has given her consent and has submitted a declaration that she meets the criteria for independence as provided in the Act and Listing Regulations. In term of Section 149 of the Companies Act, 2013, Mrs. Ruby Bansal's tenure as an Independent (Non-Executive) Director of the Company shall be for a consecutive period of 5 years w.e.f September 24, 2021 to September 23, 2026 (both days inclusive). Brief profile and other details of Mrs. Ruby Bansal is provided as part of this notice as **Annexure A**.

The Board of Directors recommends resolution for approval of the members of the Company by way of passing a Special Resolution.

None of the Directors or Key Managerial Personnel of the Company and/or their relatives except Mrs. Ruby Bansal, to whom the resolution relates, is concerned or interested, financially or otherwise, in the resolution set out at Item No. 9 of the Notice.

ITEM NO. 10

In accordance with the provisions of Section 161(1) of the Companies Act, 2013 read with the Articles of Association of the Company Mr. Anil Kumar (DIN: 07215544) was appointed as an Additional Director (Independent, Nonexecutive) on the Board of the Company with effect from September 24, 2021. In terms of Section 161 of the Companies Act, 2013, they are eligible to hold office only up to the conclusion of the ensuing Annual General Meeting.

The Board based on the recommendation of Nomination and Remuneration Committee, is of the view that the appointment of Mr. Anil Kumar as a Director of the Company is desirable and would be beneficial to the Company. Mr. Anil Kumar is not disqualified from being appointed as a Director in terms of Section 164 of the Act and has given his consent to act as a Director.

The Board of Directors recommended the appointment of Mr. Anil Kumar, who being eligible offered himself for appointment. Every Director has to be appointed by the Company in General Meeting in terms of the provisions of Section 152 of the Companies Act, 2013. Therefore, the Board proposes to obtain the approval of shareholders by way of passing an Ordinary Resolution.

The Board recommends the resolution set forth in Item No. 10 for the approval of the members.

None of the Directors or Key Managerial Personnel of the Company and/or their relatives except Mr. Anil Kumar, to whom the resolution relates, is concerned or interested, financially or otherwise, in the resolution set out in the Notice.

ITEM NO. 11

The Board of Directors of the Company, on the recommendation of the Nomination and Remuneration Committee, appointed Mr. Anil Kumar (DIN: 07215544) as Additional Director of the Company with effect from September 24, 2021 in accordance with Section 161 of the Act. He holds office up to the date of ensuing Annual General Meeting of the Company. The Company has received a notice in writing under Section 160 of the Act from a member proposing his candidature for the office of Non-executive Independent Director.

The Board of Directors recommends appointment of Mr. Anil Kumar as an Independent (Non-executive) Director of the Company. Mr. Anil Kumar has given his consent and has submitted a declaration that he meets the criteria for independence as provided in the Act and Listing Regulations. In term of Section 149 of the Companies Act, 2013, Mr. Anil Kumar's tenure as an Independent (Non-Executive) Director of the Company shall be for a consecutive period of 5 years w.e.f September 24, 2021 to September 23, 2026 (both days inclusive). Brief profile and other details of Mr. Anil Kumar is provided as part of this notice as **Annexure A**.

The Board of Directors recommends resolution for approval of the members of the Company by way of passing an Special Resolution.

None of the Directors or Key Managerial Personnel of the Company and/or their relatives except Mr. Anil Kumar, to whom the resolution relates, is concerned or interested, financially or otherwise, in the resolution set out at Item No. 11 of the Notice.

ITEM NO. 12

Pursuant to the provisions of Section 186(2) of the Companies Act, 2013 ('Act'), the Company shall not directly or indirectly:-

- a) give any loan to any person or other body corporate;
- b) give any guarantee or provide security in connection with a loan to any other body corporate or person; and
- c) acquire by way of subscription, purchase or otherwise, the securities of any other body corporate, exceeding sixty percent of its paid-up share capital, free reserves and securities premium account or one hundred percent of its free reserves and securities premium account, whichever is higher.

Pursuant to the provisions of Section 186 (3) of the 'Act', where the giving of any loan or guarantee or providing any security or the acquisition of securities exceeds the limits specified in Section 186 (2) of the 'Act', prior approval by means of a Special Resolution passed at a General Meeting is necessary. In terms of Rule No.11 (1) of the Companies (Meeting of Board and its Powers) Rules ('Rules'), where a loan or guarantee is given or security has been provided by a company to its wholly-owned subsidiary or a joint venture, or acquisition is made by a holding company, by way of subscription of securities of its wholly-owned subsidiary, the requirement of Section 186 (3) of the 'Act' shall not apply, however it will be included for the purpose of overall limit. In line with the long term objectives of the Company and for expanding its business further, the Company may be required to give loans or guarantees or make investments in excess of the limits specified in Section 186 (2) of the 'Act'.

And accordingly, it is proposed to seek prior approval of Members vide an enabling Resolution to increase the existing limit from 100 crores (Rupees One Hundred Crores) to Rs. 200 Crore (Rupees Two Hundred Crore only) over and above the limit of 60% of the paid-up share capital, free reserves, and securities premium account of the Company or 100% of free reserves and securities premium account of the Company, whichever is more as specified in Section 186 (2) of the 'Act' at any point of time.

The resolution is accordingly recommended for approval of the Members by way of a Special Resolution.

None of the Directors or Key Managerial Personnel of the Company and/or their relatives is concerned or interested, financially or otherwise, in the resolution set out at Item No. 12 of the Notice, except to the extent of their shareholding, if any.

ITEM NO. 13

To ensure continuous business operation without any interruption, approval of the shareholders is being sought, to enter into related party transaction(s) with related party(s) as defined under within the meaning of Section 2(76) of the Companies Act, 2013 and Regulation 2(1)(zb) of the SEBI Listing Regulations, to purchase and sale of goods and material for an amount of Rs. 100 crore (Rupees One Hundred Crores) during Financial Year 2022-23.

Background and Details of the Transaction:

Cost effective and assured supply of goods/services, of desired quality, is a key requirement for the Company. The Company intends to procure material from related party(s) to have consistent control over quality of the supplies. This transaction will not only help the Company to ensure wholesale and retail trading of business operations

smoothly but also ensure consistent flow of desired quality and quantity of goods available for uninterrupted operations and business activities.

Approval being sought for Financial Year 2022-23 as per the requirements of Regulation 23(4) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('SEBI Listing Regulations'), all material related party transactions shall require the approval of Members through a Resolution. Further, the explanation to Regulation 23(1) of the SEBI Listing Regulations states that a transaction with a related party shall be considered material if the transaction(s) to be entered into individually or taken together with previous transactions during the financial year, exceeds 10% of the annual consolidated turnover of the Company as per the last audited financial statements of the Company. The estimated value of transaction with related party(s) for Financial Year 2022-23 will be Rs. 100 crore, which would breach the materiality threshold of 10% of the annual turnover of the Company as per last audited financial statements of FY 2021-22. Hence, to ensure uninterrupted operations of the Company, it is proposed to secure shareholders' approval for the related party contracts/ arrangements to be entered into with related party(s) during Financial Year 2022-23, as mentioned in item No. 13 of the Notice. For necessary information as required under Rule 15 of Companies (Meetings of Board and its Powers) Rules, 2014, members are requested to please refer AOC-2 and Note No. 45 of Audited Annual Accounts of the Company for the financial year ended March 31, 2022.

Detail(s) about Arm's Length Pricing/ Ordinary Course of Business

The related party contract/transaction mentioned in this proposal meets the arm's length testing criteria and also qualifies as contract under ordinary course of business.

The said transactions have been recommended by the Audit Committee and Board of Directors of the Company for consideration and approval by the Members. The Board recommends the Ordinary Resolution set forth at Item No. 13 of the Notice for approval of the Members.

None of the Directors or Key Managerial Personnel of the Company and/or their relatives is concerned or interested, financially or otherwise, in the resolution set out at Item No. 13 of the Notice, except to the extent of their shareholding, if any.

By order of the Board

Helpdesk for Individual Shareholders holding securities in demat mode for any technical issues related to login through Depository i.e. NSDL and CDSL.

Login type	Helpdesk details
Individual Shareholders holding securities in demat mode with NSDL	Members facing any technical issue in login can contact NSDL helpdesk by sending a request at evoting@nsdl.co.in or call at toll free no.: 1800 1020 990 and 1800 22 44 30
Individual Shareholders holding securities in demat mode with CDSL	Members facing any technical issue in login can contact CDSL helpdesk by sending a request at helpdesk.evoting@cdslindia.com or contact at 022- 23058738 or 022-23058542-43

B. Login Method for e-Voting and joining virtual meeting for shareholders other than Individual shareholders holding securities in demat mode and shareholders holding securities in physical mode.

How to Log-in to NSDL e-Voting website?

1. Visit the e-Voting website of NSDL. Open web browser by typing the following URL: <https://www.evoting.nsdl.com/> either on a Personal Computer or on a mobile.
2. Once the home page of e-Voting system is launched, click on the icon "Login" which is available under 'Shareholder/Member' section.
3. A new screen will open. You will have to enter your User ID, your Password/OTP and a Verification Code as shown on the screen.

Alternatively, if you are registered for NSDL eservices i.e. IDEAS, you can log-in at <https://eservices.nsdl.com/> with your existing IDEAS login. Once you log-in to NSDL eservices after using your log-in credentials, click on e-Voting and you can proceed to Step 2 i.e. Cast your vote electronically.

4. Your User ID details are given below :

Manner of holding shares i.e. Demat (NSDL or CDSL) or Physical	Your User ID is:
a) For Members who hold shares in demat account with NSDL.	8 Character DP ID followed by 8 Digit Client ID For example if your DP ID is IN300*** and Client ID is 12***** then your user ID is IN300***12*****.
b) For Members who hold shares in demat account with CDSL.	16 Digit Beneficiary ID For example if your Beneficiary ID is 12***** then your user ID is 12*****
c) For Members holding shares in Physical Form.	EVEN Number followed by Folio Number registered with the company For example if folio number is 001*** and EVEN is 101456 then user ID is 101456001***

5. Password details for shareholders other than Individual shareholders are given below:

- a) If you are already registered for e-Voting, then you can use your existing password to login and cast your vote.
- b) If you are using NSDL e-Voting system for the first time, you will need to retrieve the 'initial password' which was communicated to you. Once you retrieve your 'initial password', you need to enter the 'initial password' and the system will force you to change your password.
- c) How to retrieve your 'initial password'?
 - I. If your email ID is registered in your demat account or with the company, your 'initial password' is communicated to you on your email ID. Trace the email sent to you from NSDL from your mailbox. Open the email and open the attachment i.e. a .pdf file. Open the .pdf file. The password to open the .pdf file is your 8 digit client ID for NSDL account, last 8 digits of client ID for CDSL account or folio number for shares held in physical form. The .pdf file contains your 'User ID' and your 'initial password'.
 - II. If your email ID is not registered, please follow steps mentioned below in **process for those shareholders whose email ids are not registered.**
6. If you are unable to retrieve or have not received the "Initial password" or have forgotten your password:
 - a. Click on "Forgot User Details/Password?" (If you are holding shares in your demat account with NSDL or CDSL) option available on www.evoting.nsdl.com.
 - b. Physical User Reset Password? (If you are holding shares in physical mode) option available on www.evoting.nsdl.com.
 - c. If you are still unable to get the password by aforesaid two options, you can send a request at evoting@nsdl.co.in mentioning your demat account number/folio number, your PAN, your name and your registered address etc.
 - d. Members can also use the OTP (One Time Password) based login for casting the votes on the e-Voting system of NSDL.
7. After entering your password, tick on Agree to "Terms and Conditions" by selecting on the check box.
8. Now, you will have to click on "Login" button.
9. After you click on the "Login" button, Home page of e-Voting will open.

Step 2: Cast your vote electronically and join General Meeting on NSDL e-Voting system.

How to cast your vote electronically and join General Meeting on NSDL e-Voting system?

1. After successful login at Step 1, you will be able to see all the companies "EVEN" in which you are holding shares and whose voting cycle and General Meeting is in active status.
2. Select "EVEN" of company for which you wish to cast your vote during the remote e-Voting period and casting your vote during the General Meeting. For joining virtual meeting, you need to click on "VC/OAVM" link placed under "Join Meeting".
3. Now you are ready for e-Voting as the Voting page opens.
4. Cast your vote by selecting appropriate options i.e. assent or dissent, verify/modify the number of shares for which you wish to cast your vote and click on "Submit" and also "Confirm" when prompted.
5. Upon confirmation, the message "Vote cast successfully" will be displayed.

6. You can also take the printout of the votes cast by you by clicking on the print option on the confirmation page.
7. Once you confirm your vote on the resolution, you will not be allowed to modify your vote.

General Guidelines for shareholders

1. Institutional shareholders (i.e. other than individuals, HUF, NRI etc.) are required to send scanned copy (PDF/JPG Format) of the relevant Board Resolution/ Authority letter etc. with attested specimen signature of the duly authorized signatory(ies) who are authorized to vote, to the Scrutinizer by e-mail to kumargpankaj@gmail.com with a copy marked to evoting@nsdl.co.in. Institutional shareholders (i.e. other than individuals, HUF, NRI etc.) can also upload their Board Resolution / Power of Attorney / Authority Letter etc. by clicking on "Upload Board Resolution / Authority Letter" displayed under "e-Voting" tab in their login.
2. It is strongly recommended not to share your password with any other person and take utmost care to keep your password confidential. Login to the e-voting website will be disabled upon five unsuccessful attempts to key in the correct password. In such an event, you will need to go through the "Forgot User Details/Password?" or "Physical User Reset Password?" option available on www.evoting.nsdl.com to reset the password.
3. In case of any queries, you may refer the Frequently Asked Questions (FAQs) for Shareholders and e-voting user manual for Shareholders available at the download section of www.evoting.nsdl.com or call on toll free no.: 1800 1020 990 and 1800 22 44 30 or send a request to at evoting@nsdl.co.in

Process for those shareholders whose email ids are not registered with the depositories for procuring user id and password and registration of e mail ids for e-voting for the resolutions set out in this notice:

1. In case shares are held in physical mode please provide Folio No., Name of shareholder, scanned copy of the share certificate (front and back), PAN (self attested scanned copy of PAN card), AADHAR (self attested scanned copy of Aadhar Card) by email to cs@vikaslifecarelimited.com.
2. In case shares are held in demat mode, please provide DPID-CLID (16 digit DPID + CLID or 16 digit beneficiary ID), Name, client master or copy of Consolidated Account statement, PAN (self attested scanned copy of PAN card), AADHAR (self attested scanned copy of Aadhar Card) to cs@vikaslifecarelimited.com. If you are an Individual shareholders holding securities in demat mode, you are requested to refer to the login method explained at **step 1 (A)** i.e. **Login method for e-Voting and joining virtual meeting for Individual shareholders holding securities in demat mode.**

Pursuant to Section 134(3) (C) read with Section 134(5) of the Act, the Directors, to the best of their knowledge and ability, hereby confirm that:

- i. in the preparation of the annual accounts, the applicable accounting standards had been followed with proper explanation relating to material departures;
- ii. they have selected such accounting policies in consultation with Statutory Auditors and applied them consistently and made judgments and estimates that are reasonable and prudent so as to give a true and fair view of the state of affairs of the company at the end of the Financial Year March 31, 2022 and of the profit and loss of the company for the Financial Year;
- iii. they have taken proper and sufficient care, to the best of their knowledge and ability, for the maintenance of

adequate accounting records in accordance with the provisions of the Companies Act, 2013 for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities;

- iv. The annual accounts of the Company have been prepared on a going concern basis.
- v. The directors had laid down internal financial controls to be followed by the Company and that such internal financial controls are adequate and were operating effectively.
- vi. They had devised proper systems to ensure compliance with the provisions of all applicable laws and that such systems were adequate and operating effectively.

Your Directors place on record their appreciation for the valuable support and cooperation of the Company's Bankers, Government Agencies, Customers, Suppliers, Shareholders, Employees and other statutory authorities, who have reposed their continued trust and confidence in the Company.

DISCLOSURE OF MANAGERIAL REMUNERATION U/S 197 OF COMPANIES ACT, 2013

Details pertaining to remuneration as required u/s 197(12) of the Companies Act, 2013 read with Rule 5(1) of the Companies (Appointment and remuneration of Managerial personnel) Rules, 2014

- The ratio of the remuneration of each director to the median remuneration of the employees of the Company for the financial year, the percentage increase in remuneration of each Director, Chief Financial Officer, Chief Executive Officer, Company Secretary or Manager, if any, in the financial year;-

Name	Designation	Ratio of Remuneration of each Director and KMP to the median remuneration of employees	Percentage Increase in Remuneration*
Chandan Kumar	Chief Financial Officer	4.50:1	Not Applicable
Arvind Gupta	Chief Financial Officer	6.25:1	
Vijay Kumar Sharma	Chief Executive Officer	6.75:1	
Sundeep Kumar Dhawan	Managing Director	7.50:1	
Monika Soni	Company Secretary	1.5:1	
Parul Rai	Company Secretary	1.6:1	

No other directors were paid remuneration during the Financial Year 2021-22

- The percentage increase in the median remuneration of employees in the financial year.**
There was no increase in the remuneration of employees during the year 2021-22 hence disclosure under this head is not applicable.
- The number of permanent employees on the rolls of the Company.**
The number of permanent employees on the rolls of the Company as on March 31, 2022 is 41 across all the locations.
- Average percentile increase already made in the salaries of employees other than the managerial personnel in the last financial year and its comparison with the percentile increase in the managerial remuneration and justification thereof and point out if there are any exceptional circumstances for increase in the managerial remuneration.**

Details are not applicable as appointment of Managerial Personnel was effected during the year 2021-22 only, accordingly, there is no reportable increase in remuneration of managerial personnel

It is hereby affirmed that the remuneration paid during the year is as per the Nomination and Remuneration Policy of the Company.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

Your Board of Directors is pleased to share the present Management Discussion and Analysis Report based on the business of the company i.e. Polymer & Chemical Business, Agro Product, Infra products Business and Smart Product Business, and the business performance under each of its strategic pillars along with the Financial Statements for the financial year ended March 31, 2022.

CURRENT/CONVENTIONAL BUSINESS:

- 1. POLYMER & CHEMICAL BUSINESS:** Your Company is in the business of trading and manufacturing of polymer compound like BASE polymers, PVC compounds, EVA, PP, PE, additive and chemicals (meant for plastic processing). Also your company does the up-cycling of polymer compounds. For the polymer compound manufacturing your company has the Hi-Tech R&D lab to check online and final product and has expertise in designing compounds in more than 200 color in different physical specification based on the customer specification.

1.1 Polymer compound:

From the Year 2019, our company started the manufacturing of Polymer compounds such as PE compound, PVC Compound, V Blend SOE compound, PP granules, Thermoplastic Rubber (TPR) compounds. Thermoplastic Rubber (TPR) Styrene-Butadiene-Styrene (SBS) copolymers are a versatile family of compounds which combine a high strength, a comprehensive range of hardness and a low viscosity for the thermoplastic melt processing. The wear resistance and physical resistance are variable (depending on composition). Mostly used for common footwear. TPR may vary according to the type of process used, presenting itself in the form of compact TPR or TPR expanded. Our compounding unit is headed by team of experienced persons with over 38 years of experience in the field of polymers and around 26 years in the compounding of Thermoplastic Elastomers.

1.2 Recycled Compound:

As per Extended Producer Responsibility (EPR), the plastic waste shall need to be channelized to register waste recyclers and recycling of plastic shall comply with the prescribed Indian Standard (IS 14534:1998). Companies using Plastic Raw Material will ultimately responsible for collection, segregation, channelizing and recycling of the plastic waste materials according to their usage volume. Vikas Lifecare Limited (VLL) processing plans & activities have been designed keeping in focus on existing & upcoming laws for EPR as per MoEF for plastic waste management (recycling for plastics). That's an exorbitant opportunity for your company which has a long experience & the required intricate technical understanding for Re Cycling & up cycling these plastic waste materials, along with complimenting the need of the plastic processors to fulfill their EPR Obligations. Your company is pioneer in plastic waste recycling, is scaling up its recycling strength to help build a circular economy, recycle post-consumer waste directly into moldable granules and subsequently give a second life to plastics.

In the recycled compound business segment Your Company engaged in research and development for up cycling the plastic waste and develop the technologies for recycling the multi-layer plastic waste (MLP) for that two patent has been filed for the same.

1.3 Chemical Business:

To develops its operations in the organic chemicals business. Vikas Lifecare Limited granted with the stage –I clearance from SIPB, Ethanol Distillery will be setup under the Ethanol Production Promotion Policy 2021, of Bihar State Government, which supplements the “National Biofuels Policy 2018” of the Government of India for setting up “Ethanol” Manufacturing Unit in Bihar with initial installed capacity of 60KL per-day. Considering the huge business potential of Ethanol project, your company is looking for the acquisition of entity for expeditious, fast track establishment of project as per the scheme of Central

Government policy under the Department of Food and Public Distribution, Government of India.

Global Industry Review:

- The global plastic compounding market size was valued at USD 60.35 billion in 2021 and is expected to expand at a compound annual growth rate (CAGR) of 7.4% from 2022 to 2030. Increasing substitution of natural rubber, wood, metals, glass, and concrete for plastic is expected to fuel the market growth. The demand for plastic is rising due to its use in various industrial applications on account of its ability to form desired shapes and easy molding.
- The demand for plastic is rising owing to its various industrial applications due to benefits, such as easy molding and the ability to form the desired shape. Plastic compounding involves an elaborate process with various stages, such as determining additives ratio, high-speed mixing via twin-screw extruders, melt mixing, and cooling, before final pellet cutting and packaging. There is a diverse range of products available, depending on the additives and fillers integrated while processing the polymers.

Figure: Global Plastic compounding market; Source: Grand view research

- The global recycled plastics market size was valued at USD 46.09 billion in 2021 and is expected to grow at a compound annual growth rate (CAGR) of 4.8% from 2022 to 2030. Increasing plastic consumption in the production of lightweight components, which are used in various industries including building & construction, automotive, and electrical & electronics, is expected to propel the growth of the market over the forecast period.

Figure: Global Recycled plastic market; Source: www.psmarketresearch.com

- The global ethanol market size was valued at USD 89.1 billion in 2019 and is anticipated to register a compound annual growth rate (CAGR) of 4.8% from 2020 to 2027. The demand for the product is driven by growing usage of the product as a biofuel. The rising consumption of alcoholic beverages is another major factor supporting market growth. Ethanol can be manufactured by both natural as well as petrochemical feedstocks. In the natural process, natural sugars are fermented in the presence of yeast.

Indian Industry Overview:

- Polymers account for around 70% of petrochemicals and that is the reason that they are the most important constituent of the Indian chemical industry.
- Polymers are essentially used in the manufacture of various plastic products. In the consumption of the basic petrochemical, polymers form the bulk of demand with a share of around 55%.
- The share of polymers in the product mix in India for various crackers ranges from 60% to 90%. The segment of polymers has registered a growth of 18% while there has been an increase of 26% in the capacities. The polymer consumption growth for 2017-2022 is 10.4%, GDP growth is 8% and import duty is 5%-0%. 11% of India's total exports are of petroleum products.
- The Indian plastics industry produces and export a wide range of raw materials, plastic-molded extruded goods, polyester films, molded/ soft luggage items, writing instruments, plastic woven sacks and bags, polyvinyl chloride (PVC), leather cloth and sheeting, packaging, consumer goods, sanitary fittings, electrical accessories, laboratory/ medical surgical ware, tarpaulins, laminates, fishnets, travel ware, and others.
- Owing to the increasing application of HDPE pipes in various end use industries, the market for HDPE pipe is expected to witness substantial growth. The growth in demand from water irrigation systems in agricultural industry is expected to drive the growth of the HDPE pipe market. Rapid urbanization is anticipated to increase the demand for water supply, leading to increase in requirement of HDPE pipes. Furthermore, growth in sewage disposal infrastructure fuels the demand for HDPE pipes. However, volatile raw material prices attributed to fluctuation in prices of crude oil is expected to hamper the market growth. Conversely, innovation and technological advancements in PE pipe provide future growth opportunities to the HDPE pipes market in India.
- India ethanol market is projected to grow from \$ 2.50 billion in 2018 to \$ 7.38 billion by 2024, exhibiting a CAGR of 14.50% during 2019-2024, on the back of increasing ethanol use in applications such as fuel additives and beverages. Ethanol is a prominent alcoholic beverage, mainly found in beer, cider, wine, spirits and ale. Indian government is trying to reduce its dependence on imported crude oil and incentivizing Indian sugar manufacturers to produce ethanol for Oil Marketing Companies (OMCs). It is expected that ethanol production will increase by three to five folds in the future in order to meet the demand for its 20% Fuel Blending Program (FBP).

Key Market Movements:

- Plastics demand is increasing in the construction sector in floorings, insulation materials, storage tanks, performance safety windows, doors, pipes and cables. Growing residential and commercial projects in developing countries is boosting infrastructural development.
- Large investments in sectors such as water and sanitation management, irrigation, building & construction, power, transport, retail etc. are continuously being made.
- The demand for plastic is rising owing to its various industrial applications due to benefits, such as easy molding and the ability to form the desired shape. Plastic compounding involves an elaborate process with various stages, such as determining additives ratio, high-speed mixing via twin-screw

extruders, melt mixing, and cooling, before final pellet cutting and packaging.

- Plastic compounding market is segmented based on polymer type, end use, and region. Depending on polymer type, the market is classified into polypropylene (PP), polyethylene (PE), polyvinyl chloride (PVC), polystyrene (PS) and expanded polystyrene (EPS), polyethylene terephthalate (PET), polyurethane (PU), acrylonitrile butadiene styrene (ABS), and other polymers. As per end use, it is segregated into automotive, building & construction, packaging, electrical & electronics, medical etc.

Figure: Global Plastic Compounding market; Source: Allied Market Research, www.alliedmarketresearch.com

- Based on application, the water supply pipe segment is estimated to grow at the highest CAGR during the forecast period. The growth of the segment is attributed to the rise in demand for water infrastructure owing to growth in population.
 - Water piping system initiated by Government under Jal Jeevan Mission for supply of water to every individual. For this project requirement of HDPE pipes require in enormous quantity.
 - Ethanol is gaining support for application as fuel, owing to its renewable source and eco-friendliness with lower emissions. Ethanol has a higher octane number than gasoline, providing premium blending properties. The ethyl alcohol (ethanol) market size is projected to register a CAGR of over 5% during the forecast period (2021-2026).
 - According to the Ministry of Petroleum and Natural Gas, India, the country has proposed the target of achieving 20% ethanol-blended fuel by five years and now to complete the target by 2025. The country needs 4 billion liters of ethanol for 10% ethanol blend, and for 20% ethanol blend, the country needs 1,000 crore liters of ethanol, which will cost approximately INR 65,000 crores.
2. **FMCG-AGRO PRODUCT BUSINESS:** Despite the challenging conditions prevailing during the year, your Company is ventured in to FMCG business segment. The FMCG Businesses comprising Branded Packaged Foods, Personal Care Products, Agri commodities have been growing at an impressive pace over the past several years and your company is doing best in trading of raw and finished cashew nuts and Rice.

Agro Commodities:

- Our Company has also started the trading of raw and finished cashew nuts and premium quality

Rice to pursue one of its strategies of venturing into FMCG market. Company has also ventured into Agri Products business with diverse activities including Food & Crop Protection, Preservation & Storage, Crop Research, Crop Production Company is working towards gaining a foothold in the Agri Business with starting operations in the various facilities required for this business activities as soon as possible. For strengthen its agro product business your company has procured land at various strategic locations and have so far purchased approx 36.41 Acre land since June'2021 and will further acquire land at strategic location with an ambitious target of 100-150 Acre cultivable land by the March 2023. Your Company is empanelled with National Agricultural Cooperative Marketing Federation of India Ltd (NAFED) as exporter, Ministry of Agriculture, Government of India, for expanding the Agro Products business like Food Grains, Pulses, Spices, Oilseeds, Bio-Fertilizers and Miscellaneous other Products.

Global Industry Review:

- The agricultural products industry consists of the production of Cereals (such as wheat, rice, barley etc.), Nuts (almonds, hazelnuts, pistachios etc.), Oilcrops (cottonseed, groundnuts, olives etc.), Spices & Stimulants (coffee, hops, dry chilies etc.), Sugar (sugar cane, sugar beet etc.), Pulses (beans, peas, lentils etc.), Roots & Tubers (Potatoes, sweet potatoes, cassava etc.), Vegetables (cabbages, tomatoes, onions etc.), and Fruit (bananas, citrus fruits, berries etc.)
- The global agricultural products market had total revenues of \$2,574.8bn in 2020, representing a compound annual growth rate (CAGR) of 6.5% between 2016 and 2020.
- Market consumption volume increased with a CAGR of 1.2% between 2016 and 2020, to reach a total of 7,221.9 million tonnes in 2020.
- The cereals segment was the market's most lucrative in 2020, with total revenues of \$706.8bn, equivalent to 27.5% of the market's overall value.

Indian Industry Overview:

- India is among the 15 leading exporters of agricultural products in the world. Agricultural export from India reached US\$ 38.54 billion in FY19 and US\$ 35.09 billion in FY20.
- According to Inc42, the Indian agricultural sector is predicted to increase to US\$ 24 billion by 2025.
- India is the world's second-largest producer of rice, wheat, sugarcane, cotton, groundnuts and fruits & vegetables. It also produced 25% of the world's pulses, as of last decade, until 2019.
- The organic food segment in India is expected to grow at a CAGR of 10% during 2015-25 and is estimated to reach Rs. 75,000 crore (US\$ 10.73 billion) by 2025 from Rs. 2,700 crore (US\$ 386.32 million) in 2015.
- Agriculture is the primary source of livelihood for about 58% of India's population. Gross Value Added by agriculture, forestry, and fishing was estimated at Rs. 19.48 lakh crore (US\$ 276.37 billion) in FY20. Share of agriculture and allied sectors in gross value added (GVA) of India at current prices stood at 17.8 % in FY20. Consumer spending in India will return to growth in 2021 post the pandemic-led contraction, expanding by as much as 6.6%.
- The Indian food industry is poised for huge growth, increasing its contribution to world food trade every year due to its immense potential for value addition, particularly within the food processing industry. Indian food and grocery market is the world's sixth largest, with retail contributing 70% of the sales. The Indian food processing industry accounts for 32% of the country's total food market, one of the largest industries in India and is ranked fifth in terms of production, consumption, export and expected growth.

Key Market Movements:

- The rising health consciousness among consumers in both developed and developing markets across the world has increased consumption of dried nuts and fruits. The product contains high levels of unsaturated fats, proteins, vitamins and fibres. The emerging trend for protein-rich diets has significantly increased the demand for dehydrated fruits among young adults. The increased awareness regarding obesity and lifestyle-related disorders has boosted the popularity of healthy snacks among consumers.
- Dry fruit containing snack bars, breakfast cereals and bakery products are gaining popularity in the retail. The health benefits of dehydrated fruits boost their consumption as a snack and as a raw ingredient in gluten-free and vegan bakery and confectionery products. Development across the food packaging industry has enabled manufacturers and processors to sell dehydrated fruits in small, portable, and ready-to-eat packaging. The increasing investment by manufacturers to extend product shelf life contributes to market growth.
- India is among the 15 leading exporters of agricultural products in the world. Agricultural export from India reached US\$ 38.54 billion in FY19 and US\$ 35.09 billion in FY20. The organic food segment in India is expected to grow at a CAGR of 10% during 2015--25 and is estimated to reach Rs. 75,000 crore (US\$ 10.73 billion) by 2025 from Rs. 2,700 crore (US\$ 386.32 million) in 2015.
- The government has set a target to buy 42.74 million tonnes from the central pool in FY21; this is 10% more than the quantity purchased in FY20. For FY22, the government has set a record target for farmers to raise food grain production by 2% with 307.31 million tonnes of food grains.

3. INFRA PRODUCT BUSINESS:

- **Food grade plastic piping system for drinking water:**

Your company has received mammoth response in the HDPE pipes for drinking water system. Last year Vikas Lifecare Limited has ventured into the arena of food grade piping systems for drinking water under the Jal Jeevan Mission and performing. Jal Jeevan Mission initiated by Department of Drinking Water & Sanitation, Ministry of Jal Shakti, Government of India. Your company possesses a rich experience in sourcing and supplies of food grade plastic raw materials for food & drinking water contact applications of plastic piping systems.

- **Steel fittings & Steel Bars**

Your company is doing well in these segments with increasing economic activities and governments thrust on infrastructure development, there is a huge demand of fittings by all major steel tube. To support Company's 'Infra Products' trading business and as a measure of backward integration, Your company has been specifically focusing on growing its consumer products division, alongside continuously working to expand the offering to the conventional business segments, targeting to tap into the ever-growing business potential and the strong and steady demand for the infrastructural materials and products in India, which has a huge scope to offer opportunities for a long lasting and huge business growth.

Global Industry Review:

- The Global Infrastructure Market was valued at USD 2,242.3 Billion in 2021 and is expected to reach USD 3,267.3 Billion by 2027, registering a growth rate of 6.48% during the forecast period.
- The global steel rebar market size was valued at USD 219.2 billion in 2019 and is expected to grow at a CAGR of 7.2% from 2020 to 2025. The expansion of construction sector is anticipated to remain a key driver for market growth. Growing construction output, especially in emerging countries, such as China, Brazil, and India, and diversification program in the Middle East countries, are contributing

to the demand for steel rebar.

Figure: Global Steel bar market by application; Source: www.grandviewresearch.com

- Major GDP contribution in the Middle Eastern countries comes from the oil & gas sector. However, countries in the region are focusing on the development of non-oil & gas sectors such as residential construction and infrastructure. For instance, the Saudi Arabian government, under its Saudi Arabia Vision Plan 2030, revealed an infrastructure investment plan worth USD 450 billion to reduce its dependency on the oil & gas sector for a more effective government, to diversify its economy, and build a robust society.
- For food grade piping system the global HDPE pipes market was valued at \$17,907 million in 2017 and is projected to reach \$26,518 million by 2025, growing at a CAGR of 5% from 2018 to 2025.

Indian Industry Overview:

- India is expected to become the world’s third largest construction market by 2022
- India is home to fifth-highest reserves of iron ore in the world.
- India will require investment worth Rs. 50 trillion (US\$ 777.73 billion) across infrastructure by 2022 for a sustainable development in the country.
- Infrastructure sector is a key driver for the Indian economy. The sector is highly responsible for propelling India’s overall development and enjoys intense focus from Government for initiating policies that would ensure time-bound creation of world class infrastructure in the country. Infrastructure sector includes power, bridges, dams, roads, and urban infrastructure development.

Figure: Market size of steel in India; Source: India Brand equity Foundation, www.ibef.org

- For Infrastructure business steel fittings and steel bars are very important tools for the growth in this segment.
- In FY22 (till January), the production of crude steel and finished steel stood a 98.39 MT and 92.82 MT, respectively. According to CARE Ratings, crude steel production is expected to reach 112-114 MT (million tonnes), an increase of 8-9% YoY in FY22.
- As of September 2021, India was the world's second-largest producer of crude steel, with an output of 9.5 MT.

Key Market Movements:

- The Infrastructure in India is estimated to grow at a CAGR of approximately 7% during the forecast period.
- During the fiscals 2020 to 2025, sectors such as Energy (24%), Roads (19%), Urban (16%), and Railways (13%) amount to around 70% of the projected capital expenditure in infrastructure in India.
- Increase in Road Infrastructure followed by the development of highways would be undertaken, including the development of 2,500 km access control highways, 9,000 km of economic corridors, 2,000 km of coastal and land port roads, and 2,000 km of strategic highways
- The infrastructure sector has become the biggest focus area for the Government of India. India plans to spend US\$ 1.4 trillion on infrastructure during 2019-23 to have a sustainable development of the country. The Government has suggested investment of Rs. 5,000,000 crore (US\$ 750 billion) for railways infrastructure from 2018-30.

4. SMART PRODUCT BUSINESS:

- Your Company is moving ahead with the objective of broad-basing the product portfolio, and diversifying into futuristic and unique product lines, new edge businesses, complimenting and supplementing the existing business lines of the Company. Vikas Lifecare has entered into definite agreement with the existing promoters/shareholders for acquiring 75% equity of Genesis Gas Solutions Private Limited (the 'Genesis'), a company engaged in the business developing "Smart Products" including Smart Gas Meters & Power Distribution solutions for the ever-expanding infrastructure in India. Genesis pioneers in smart gas and water metering in India and commands about 20% of domestic gas metering share in India.
- Genesis is currently having the first and the largest implementation of LoRa® technology in Smart Gas Metering in India. Genesis operates through leading operators of LoRa® in India and has also done few pilot projects outside India.
- Genesis Gas Solutions Pvt Ltd successfully developed and integrated LoRa® technology MIUs (Meter Interface Units) into prepaid gas meters which have already been commissioned at Indraprastha Gas limited (IGL).
- Beside the gas and water meter Genesis Gas entered into a Memorandum of Understanding (MOU) with "S I C K" India, a subsidiary company of "S I C K" A.G. headquartered in Germany, for promotion and marketing of a certain type of Ultrasonic Gas Meters in a pre-defined geographical territory including India and certain Asian countries as well.

Global Industry Review:

- As Your Company recently acquired The Genesis who is the manufacturer of smart gas and water meter. The global smart meter market size was valued at \$21.79 billion in 2020 and is projected to reach \$54.34 billion by 2030, growing at a CAGR of 10.10% from 2021 to 2030.

- Smart meters are electronic devices that accurately monitor electricity, gas, and water usage. These smart meters can send usage information through power line communication, radiofrequency electromagnetic radiation (RF), and cellular communication, helping the utility company to effectively manage the energy usage.
- Smart meters offer a host of benefits such as reduction of meter reading cost, preventing disconnection, removing inefficiencies in billing, and re-connection costs to corporations and consumers.
- The major factors that drive the smart meter market growth are development of communication network infrastructure, government initiatives, and high investments in digital electricity infrastructure. In addition, large scale installations of the smart meters by the utility companies are focusing on strengthening the distribution of the smart meters.
- Smart meters offers various advantages such as precise reading, avoiding manual involvement, maintaining data of usage, avoiding unaccounted consumption, and evaluating monthly tariffs.

- In recent years Asia Pacific witnessed a substantial growth in population. This is propelling residential, commercial and industrial sectors to grow immensely in the region. The region has witnessed a switch from traditional meter to smart meter in terms of electricity and this trend is estimated to follow for smart gas meter as well.

Indian Industry Overview:

- The growth of the smart meter market in India can be attributed to the increasing cost of electricity in the country and the growing need for energy conservation and management.
- India smart meter market is witnessing promising growth and anticipated to grow at a CAGR of 6.4% during the forecast period.
- In addition, stringent government initiatives to mandate the installation of smart meters in commercial and industrial facilities are expected to drive market growth during the forecast period.
- The Government of India is taking various initiatives to boost the adoption of smart meters in the country. It has already launched initiatives such as Smart Meter National Programme that aims to replace 25 crores (250 million) conventional meters with smart meters in India.
- Based on product types, the India smart meter market is segmented into smart electric meters, smart gas meters, and smart water meters. Among these, the smart electric meters segment accounted for

the largest market share because of the increasing focus on better management of electricity consumption.

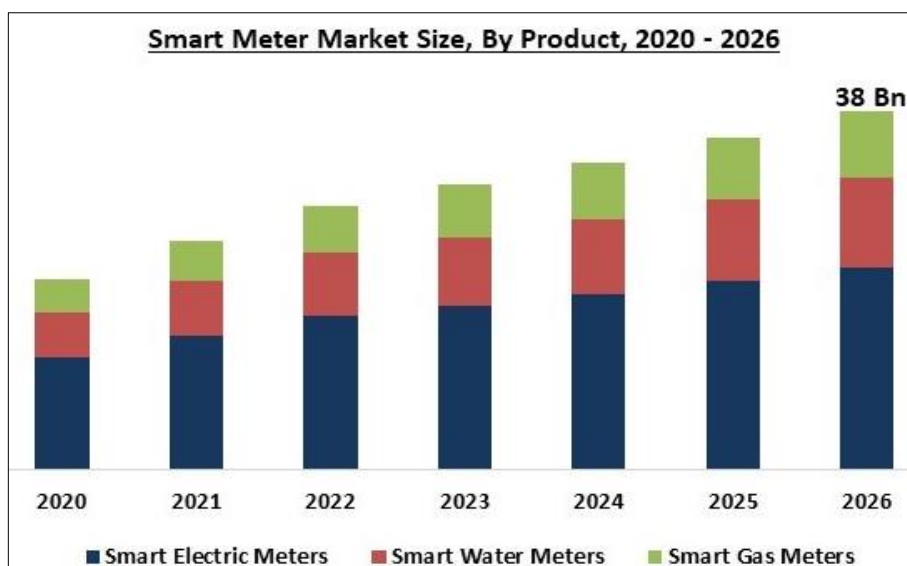

Figure: Market size of smart meters in India; Source: market based value research, www.kbvresearch.com

- Geographically, the India smart meter market is segmented into North India, South India, East India, and West India. North India accounts for the largest market share due to the increasing public-private partnership to boost the installation of smart meters in this region.

Key Market Movements:

- The Asia Pacific is expected to dominate the smart meters market during the forecast period due to government’s mandates for digitization of grid networks, utilities monitoring real-time analysis for grid and consumers usage.**
- The region has been segmented into China, Japan, Australia, India, and the Rest of Asia Pacific.**
- The Asia Pacific is the most populated region in the world and consequently witnesses a high electricity demand. China, Japan, and India are investing in grid expansion projects to increase distribution grid reliability.**
- Based on the type smart meters market has been segmented as Electric, Gas and Water meters.**
- Smart meter has gained immense traction on account of their attractive features including automatic meter reading, bill generation, greater transparency, and reduced meter reading costs.**
- They have become essential part of smart grids and are gradually replacing conventional meters in end use verticals such as industries, residential buildings and commercial places.**
- Governments across the world are spending billions of dollars on the installation of smart grids and smart meters, with the aim of improving the efficiency of power networks. Moreover, various new smart city initiatives are being constantly launched worldwide. This will create lucrative growth avenues within the global smart meter market during the forecast period.**

- **Leading Asia Pacific Countries such as China and India are continuously installing smart meters in residential and industrial buildings for achieving a cleaner and more efficient energy system. Various new projects are being launched by governments to encourage the adoption of smart meters.**

COMPANY OVERVIEW:

Vikas Lifecare Ltd. (VLL) is an ISO 9001:2015 certified company, historically engaged in the business of manufacturing of Polymer and Rubber compounds and Specialty Additives for Plastics, Synthetic & Natural Rubbers. The company has been conventionally engaged in various business segments including Polymer & Rubber Commodity (bulk consumption) Compounds and Master-Batches. Manufacturing Up-Cycled Compounds from industrial and post-consumer waste and scrap materials like EVA, PVC, PP, PE etc., directly contributing to the Environment Protection initiatives from the Government of India and fulfilling the mandated EPR obligations for the conglomerates using hundreds of thousands of tonnes of plastic products and packaging materials.

VLL is also a Del-Credere agent of ONGC– The Oil and Natural Gas Corporation Ltd.” Petro Additions Limited, a public sector undertaking producing a wide variety of base polymers and commodity plastic raw materials. VLL has a division engaged in Agro Products Business, The Company is empanelled with NAFED – The “National Agricultural Co-Operative Federation of India” and HOFED – The “Uttar Pradesh Horticultural Co-Operative Marketing Federation”.

As a long-term business strategy, the company has most recently diversified its business interests beyond raw materials (B2B businesses) and forayed into the B2C segment with a host of consumer products for FMCG, Agro, and Infrastructure Segments; paving way for an aggressive business growth with adding intricately planned and selected product portfolios via acquisitions, joint ventures and tie-ups. VLL intends establishing / acquiring businesses in diverse segments thereby expanding its business stakes and a footprint across the country and beyond.

The company recently acquired 75% stake in Genesis Gas Solutions Pvt. Ltd. Engaged in the business of Smart Gas Meters being supplied to all the major Gas Distribution Companies for domestic and commercial consumers. Genesis pioneers in Smart Gas and Water Metering and commands about 20% of the Domestic Gas Metering business share in India.

Having a more than 2-decade strong operating history in the manufacturing of specialty chemicals for plastics industry, arms VLL with in-depth understanding of the product designing and market trends. The Company is having rich domain experience and in-depth knowledge of International and Local Polymer markets. We at VLL combine management expertise and best business practices - with high ethical standards. Our manufacturing facility is located at G-83, Vigyan Nagar, RIICO Industrial area, Shahjahanpur, Rajasthan, Alwar, Rajasthan-301706.

Segment Wise /Product Wise Performance

The Company is under four business segments which is trading(Base polymers, additives and chemicals meant for plastic processing , commodity compounds(Manufacturing up-cycled polymer compounds like EVA, PVC, PP,PE etc.), Environment protection(Recycling and up-cycling of plastic waste to fulfill EPR) and FMCG & Healthcare.

Current Business Segments

Our business is divided into different major segments which include Smart product Business(Smart gas and water meters), Polymer & Chemical Business (Recycling materials, trading and manufacturing of Polymer Compounds), FMCG segment (Agro Product), Infra Products(Steel fittings & Steel Bars), Food grade piping system for Jal Jeevan Mission.

Smart Product Business Division:

Moving further ahead with the objective of broad-basing the product portfolio, and diversifying into futuristic and unique product lines, new edge businesses, complimenting and supplementing the existing business lines of the Company, Your company has acquired Genesis Gas Solutions Private Limited (the 'Genesis'), a company engaged in the business developing "Smart Products" including Smart Gas Meters & Power Distribution solutions for the ever-expanding infrastructure in India.

Your company's recent acquisition Genesis Gas Solutions Pvt Ltd (Genesis) has been awarded orders to supply 30000+ Gas Meters valued an approximate INR 31 Million from Gujarat Gas Limited, The India's Largest City Gas Distribution company.

Genesis Gas Solutions received orders (i) for supplying 40,800 Natural Gas Meters, and (ii) for laying Pipeline and commissioning of Meter (Last Mile Connectivity) from Aavantika Gas Limited, a Joint Venture of GAIL (India) Limited & Hindustan Petroleum Corporation Limited under the Ministry of Petroleum and Natural Gas, Government of India.

Recycling Material Division

With growing awareness of environment protection, initiatives of governments' worldwide and continuous efforts on research and development in field of recycling materials, the plastics recycling industry is booming, spread across an informal amalgam of street pickers, small start-ups and non- governmental entities and is focused on the secondary use economy. Your company has developed the technology to recycle plastic waste for that has filed two patents.

In the Plastic waste Single use plastic like Multi-layer plastic (MLP) waste become the serious issue in the environment. MLP comprises of different layers of plastics and aluminum layer for their specific purpose in a packaging film, still does not find a viable recycling solution as the layers cannot be dissected apart and the matrix of various sorts of plastic in an MLP pose a great challenge for recycling and eventually to find a workable recycled material and its viable application.

Your company with the continuous effort of R&D team has developed a technology wherein the recycled MLP material can be used for producing pallets, interlock Tiles and subsequently various plastic articles making it a lucrative, scalable & rewarding business for the company eventually.

Your company is working towards patenting many more techniques, compositions and applications for the various firsts which have been in process with the VLL team since we started working towards niche, futuristic & potent opportunities that came along way on our journey in plastics since more than two decades now. These initiatives will not only help the company in strengthening its position in industry matrix but also the result in significant growth in revenues and profitability for years to come and stronger financials.

Trading of Polymer Compounds

Your Company is a polymers and polymer additive related Chemicals Trading House, based in the capital city, it has rich domain experience and in-depth knowledge of International and Local Polymers Market.

Your Company is a del-credre agent of ONGC Petro Additions Limited and its trading segment will grow correspondingly with the expansion and growth of the ONGC.

- **Inter-Linkage of OPaL Plans with Company's Growth**

OPaL is poised to become a key player in the growth of the polymer industry, because it has all the essential ingredients to become one of the best performing operators in the global petrochemical industry. OPaL has the combine advantages of adequate indigenous feedstock supplies, talented manpower, ready market and above all, a better and brighter domestic market, Vikas Lifecare Limited has been appointed by Opal as its del credre agent for supplying the plastic and raw rubber polymers on regular basis.

The demand for polymers in India is huge and is expected to further rise with the growth in GDP and thus will lead to growth in the supply of polymers by your Company to Opal.

Polymers are used extensively and have replaced traditional materials like Metal, Wood, Paper, and Glass in day-to-day life style. Economy of any region and per capita income & spending power directly impact the polymer consumption. As, global per capita consumption of polymer is 26 Kg per person per year, India is lagging much behind in terms of per capita having just 5 kg per person per year.

It is forecasted that the demand will be increasing in India at an annual rate of 12.5%. Growing Indian economy will push the Polymer consumption in near future and will be the major market to tap, thus your Company is all energized to meet the increasing demand of polymers in India and cater to economy at large through OPaL.

Polymer Compounds:

Vikas Lifecare limited was engaged in the manufacturing of different polymer compounds like PE compound, PVC compounds, V blend SOE compound, Polypropylene compounds and Thermo Plastic Rubber (TPR) compound.

FMCG-Agro Product Business:

- During the first wave of Covid-19, the Company initiated trading in raw and finished cashew nuts to pursue one of its business strategies to venture and intends to expand into FMCG segment and thereafter to strengthen this business further started trading of certain agro products such as rice, pulses etc. and other allied activities.
- The company focused energies to scale up operations in the recently started FMCG business and the efforts have resulted in rich opportunities of dealing in variety of premium quality dry fruits, nuts and other premium consumer products as well.
- Your Company received an overwhelming response in this business segment and the domestic sales of Premium Cashew Nuts has already crossed Rs. 520 million mark and in addition we have successfully executed export orders equivalent of Rs 50 million of Premium Rice so far.
- While the Premium Rice business has been registering impressive numbers for the company in terms of sales and consistent growth of the Agro Products Division, the company has received its first Bulk-Load Export Order of 1500MT of Premium Rice in February 2022.
- To further fortify its food-prints, in addition of entering a MOU with National Agricultural Cooperative Marketing Federation of India Ltd. (NAFED) for export of agricultural products or commodities and articles to various countries across the world, the Company recently got registered/empaneled as an Approved Vendor with the U.P. State Horticultural Co-Operative Marketing Federation (HOFED) a Govt. of U.P. Enterprise.
- Your Company started its Agro Products Business Division only with Premium Cashew Nuts, Premium Rice etc. Subsequently, as a measure of backward integration, the company established a Premium Cashew Nuts processing unit at Karnataka, India which is running at optimum capacity utilization levels, encouraged with the response it is recently decided to double the processing Cashew Nuts processing capacity. As a long-term strategy the Company is focusing to sell of Agro Products in international markets and is continuously exporting Premium Rice. Now the addition of Crystal Sugar is also being embarked upon with an impressive Export Order.

- In addition, the company has also been acquiring agricultural land parcels to expand its business initiatives in Agro Products including vivid activities and operations aiming horticultural R&D, Cultivation, Preservation and Storage of Agro Products under this Business Segment.

Infra Product Business:

- Your company has entered into supplying of food grade piping systems for drinking water under the Jal Jeevan Mission initiated by Department of Drinking Water & Sanitation, Ministry of Jal Shakti, Government of India. Our Company ventured into infrastructure products with of drinking water pipes, fittings and bars.
- For drinking water pipes, we have already achieved a sale of Rs. 75 million within first 3 months of commencement of this vertical and in addition, the Company has already registered revenue of about Rs. 240 million of Steel Bars, since June 2021

Opportunities for sustainable growth:

- Increasing demand for the polymers and increased measures for sustainability by the government
- Relaxation in laws by the regulators and subsidies available on recycling materials by policymakers
- Increased opportunities through "Make in India" initiative by the Central Government.
- Wider audience and global use of the FMCG products and fast growth of the industry
- The Company is optimistic to exploit the opportunities available in the markets by harnessing its potential ad strengths.
- Continuing focus on organic growth
- Eyeing to create a meaningful presence outside of India
- Pursuing added value opportunities in various industries.

Financial Performance

The financials of the Company as on 31st March, 2022 in comparison with the previous year figures along with the key financial indicators are discussed as under:

Net worth

The Company's net worth viz. paid up share capital, general reserves and retained earnings stood at Rs.198.64 Crore as against the previous year where it stood at Rs. 66.67 Crore.

the previous year.

During the fiscal 2021-22, your Company made outstanding number of sales of its products on credit basis, thus reducing the Current Ratio of the Company at the same time making an increase in its sales during the year under review.

Earnings per Share

The basic and diluted Earnings per Share (EPS) as at the end of financial year was 0.053.

Research & Development

Trading and carrying out recycling process in the chemical industry, as vast as the chemical industry is spread, the greater is the need to continuously work on the Research and Development aspect of the sector. The Company is well aware of the only improvisation and the product quality is the vital for the growth and sustainability of the Company.

R&D is one of the driving forces for expansion in the company. Research and development is one of our key strengths and is integral to our growth. We continue to build on our capabilities and competencies in the field of chemistry. Our in-depth expertise in process research, process development and analytical references enables us to provide integrated solutions to our global customers.

Your Company has successfully filed two patents for the technology on:

- Recycling of Multi Layered Plastics (MLP) and converting it to granules and products for societal applications”.
- An improved process of recycling of waste plastic for making pallets & interlock tiles for industrial application”

Environmental Health and Safety

Chemicals have become an indispensable part of human life, sustaining activities and development, preventing and controlling many diseases, and increasing agricultural productivity. Despite their benefits, chemicals may, especially when misused, cause adverse effects on human health and environmental integrity. Widespread application of chemicals throughout the world increases the potential of adverse effects.

Growth of chemical industries, both in developing and in developed countries, is predicted to increase. In this context, it is recognized that the assessment and management of risks from exposure to chemicals is among the highest priorities in pursuing the principles of sustainable development.

We are subjected to extensive environmental law and regulations relating to the prevention and control for water and air pollution, environmental protection and hazardous waste management in relation to our manufacturing facility. Our company has obtained the necessary environment related approvals in relation to our manufacturing facility. We aim to comply applicable health and safety regulations and other requirements in our operation and comply with legislative requirements, requirements for our licenses, approvals, various certifications and ensuring the safety of our employees and the people working at our facility or under our management

Risks, Concerns, Internal Control Systems and their Adequacy

The major risk that concerns the Company is its business risk. The Company is subjected to a high business risk in terms of its high dependability on other Industries for demand of its products carrying the nature of raw materials. The Company has a risk management and mitigation plan. Periodic checks are carried out on all systems and processes as part of internal audit. The Company's internal control systems are commensurate with the nature of its business and the size and complexity of its operations. The Statutory Auditors also evaluate the efficacy and adequacy of internal control systems including controls with respect to the financial

statements, its compliance with operating systems, accounting procedures and policies in the Company. Corrective actions are undertaken basis findings of audits.

Human Resources

Human Resource Capital is the most valuable asset for any organization. The Company places the utmost importance on maintaining cordial employer-employee relations both at its administrative offices and plant locations. The Company has developed a system to reward adequately and recognize employee contribution towards its growth. A remuneration policy has also been developed and adopted by the Company which provides for appointment and remuneration of Directors, Key Managerial Personnel and Senior Management.

Disclaimer

Statements in the Management Discussions and Analysis describing the Company's objectives, projections, estimates, expectations are "forward-looking statements" within the meaning of applicable securities laws and regulations. Actual results could differ materially from those expressed or implied. Important factors that could make a difference to the Company's operations include economic conditions affecting demand/supply and price conditions in the domestic and overseas markets in which the Company operates, changes in the Government regulations, tax, corporate and other applicable laws together with the other incidental factors.

Form No. MR-3
Secretarial Audit Report
For the Financial year ended 2022-23

[Pursuant to section 204(1) of the Companies Act, 2013 and Rule No.9 of the Companies (Appointment and Remuneration Personnel) Rules, 2014]

To,

The Members,

VIKAS LIFECARE LIMITED,

G-1 34/1, East Punjabi Bagh,

Delhi 110026

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **VIKAS LIFECARE LIMITED** (hereinafter called the company). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my Opinion thereon.

Based on our verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, We hereby report that in our opinion, the company has, during the audit period covering the financial year ended on March 31, 2022 complied with the statutory provisions listed hereunder and also that the Company has proper Board- processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on March 31, 2022 according to the provisions of:

- I.** The Companies Act, 2013 (the Act) and the rules made thereunder;
- II.** The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
- III.** The Depositories Act, 1996 and the Regulations and Bye-laws Framed thereunder;
- IV.** Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial borrowings (No Fresh FDI, ODI and ECB was taken by the Company during the Audit Period);
- V.** The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-
 - a. The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - b. The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - c. The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018;
 - d. ~~The Securities and Exchange Board of India (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999;*~~
 - e. ~~The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008;*~~

- f. ~~The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client,*~~
- g. ~~The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009;*~~
- h. ~~The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998 and Securities and Exchange Board of India (Buy-back of Securities) Regulations, 2018;*~~
- i. The Securities and Exchange Board of India (Listing Obligations and Disclosures Requirements) Regulations, 2015;

We have also examined compliance with the applicable clauses of the following:

- (i) Secretarial Standards issued by The Institute of Company Secretaries of India as amended time to time.

BOARD MEETINGS

As a good governance practice and as per the guidance note issued by the Institute of Company Secretaries of India, the Board Meetings held considering the requirements under applicable laws w.r.t minimum number of meetings and maximum permissible time gap between two consecutive meetings. Additional meetings are also convened as and when required.

The Company also offers video conferencing facility to the Directors to enable them to participate as may be permitted under law. The agenda for the meetings are circulated in advance for informed decision making by the Directors. The Company Secretary attends all the meetings of the Board and Committees and prepares draft minutes of such meetings.

The Company follows the prescribed Board procedures and furnishes detailed notes in advance on the businesses to be dealt with at the Board Meetings in terms of Regulation 17 of the Listing Regulations. The Board has been meeting regularly ensuring that the gap between two consecutive meetings does not exceed one hundred and twenty days. The Company was generally in compliance with the requirements of Regulation 17 of the Listing Regulations, as applicable at the relevant time.

During the year, the Board of the Company met 12 times on May 17, 2021, June 22, 2021, June 25, 2021, July 09, 2021, July 19, 2021, August 25, 2021, September 24, 2021, October 14, 2010, October 26, 2021, December 03, 2021, January 10, 2022, and February 15, 2022 respectively. The maximum gap between the two Board meetings was less than 120 days.

Meetings are usually held at the Registered Office of the Company at G-1, 34/1 East Punjabi Bagh, New Delhi-110026.

The agenda papers and detailed notes are circulated to the Board well in advance for every meeting, where it is not practicable to attach any document to the agenda, the same is placed before the Board at the meeting and in special circumstances, additional items on the agenda are taken up at the meeting with the necessary approval of Chairperson and Directors in terms of Companies Act, 2013 read with Secretarial Standards.

CORPORATE GOVERNANCE CERTIFICATE

To,

The Members of

Vikas Lifecare Limited

(Formerly known as Vikas Multicorp Limited)

G-1 34/1, East Punjabi Bagh, New Delhi - 110026

We have examined the compliance of conditions of Corporate Governance by Vikas Lifecare Limited (Formerly known as Vikas Multicorp Limited) ("the Company"), for the financial year ended March 31, 2022 as stipulated under Regulations 17 to 27 and clauses (b) to (i) of Regulation 46(2) and Para C, D and E of Schedule V to the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations").

In our opinion and to the best of our information and according to the explanations given to us, we certify that the Company has complied with the conditions of Corporate Governance as stipulated under Regulations 17 to 27 and clauses (b) to (i) of Regulation 46(2) and Para C, D and E of Schedule V to the Listing Regulations.

We further state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the management has conducted the affairs of the Company. The compliance of conditions of Corporate Governance is the responsibility of the management of the Company. Our examination was limited to procedures and implementation thereof, adopted by the Company for ensuring the compliance of the conditions of Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

**CERTIFICATE OF NON-DISQUALIFICATION OF DIRECTORS
(Pursuant to Regulation 34(3) and Schedule V Para C clause (10)(i) of the
SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015)**

To,
The Members of
Vikas Lifecare Limited
(Formerly known as Vikas Multicorp Limited)
G-1 34/1, East Punjabi Bagh New Delhi-110026

We have examined the relevant registers, records, forms, returns and disclosures received from the Directors of Vikas Lifecare Limited (Formerly known as Vikas Multicorp Limited) having CIN: L25111DL1995PLC073719 and having registered office at G-1 34/1, East Punjabi Bagh New Delhi-110026 (hereinafter referred to as 'the Company'), produced before us by the Company for the purpose of issuing this Certificate, in accordance with Regulation 34(3) read with Schedule V Para-C Sub clause 10(i) of the Securities Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 for the FY ended March 31, 2022.

In my opinion and to the best of my information and according to the verifications (including Directors Identification Number (DIN) status at the portal www.mca.gov.in) as considered necessary and explanations furnished to us by the Company & its officers, I hereby certify that none of the Directors on the Board of the Company as stated below for the Financial Year ending on March 31, 2022 have been debarred or disqualified from being appointed or continuing as Directors of a Company by the Securities and Exchange Board of India, Ministry of Corporate Affairs, or any court or any other Statutory Authority:

S. No.	Name of Director	DIN	Date of Appointment in Company
1.	Mr. Arvind Gupta	02549596	24/09/2021
2.	Mr. Vijay Kumar Sharma	08721833	12/02/2020

INDEPENDENT AUDITORS' REPORT

To the Members of Vikas Lifecare Limited (Formerly Known as Vikas Multicorp Limited)

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying Standalone financial statements of **M/s Vikas Lifecare Limited (Formerly Known as Vikas Multicorp Limited)** ("the Company"), which comprise the standalone balance sheet as at 31stMarch 2022, the standalone statement of profit and loss (including other comprehensive income), standalone statement of changes in equity and standalone statement of cash flows for the year then ended, and notes to the standalone financial statements, including a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31stMarch 2022, its profit and other comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our opinion on the standalone financial statements.

Key Audit Matters

Key audit matters ("KAM") are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Description of Key Audit Matter

The key Audit Matter	How the matter was addressed in our audit
<p>Assessment of carrying value of investments in subsidiary, and associates and fair value of other investments</p> <p>The Company has investments in subsidiary and associates and other companies and also has made investments in preference shares.</p> <p>The Company accounts for investments in subsidiary at cost (subject to impairment assessment) and other investments at fair value.</p> <p>For investments carried at cost amounting to Rs.150 lakhs where an indication of impairment exists, the carrying value of investment is assessed for impairment and where applicable an impairment provision is recognised.</p>	<p>Our audit procedures included the following:</p> <p>We obtained an understanding from the management, assessed and tested the design and operating effectiveness of the Company's key controls over the impairment assessment and fair valuation of material investments.</p> <ul style="list-style-type: none"> We evaluated the Company's process regarding impairment assessment and fair valuation by involving valuation experts, where considered necessary, to assist in assessing the appropriateness of the valuation model including the independent assessment of the underlying assumptions relating to discount rate, terminal value etc.

<p>During the year, the Company has invested Rs. 5,267.59 Lakhs in equity and preference shares of associate and other companies which are initially recorded at fair values and subsequently, carried at fair value through profit and loss or fair value through other comprehensive income (Refer Note 6 of the financial statements).</p> <p>For investments carried at or initially recorded at fair values, a fair valuation is done at the year-end or at the time of initial recording, as applicable, in accordance with Ind AS 109. In case of certain investments, cost is considered as an appropriate estimate of fair value since there is a wide range of possible fair value measurements and cost represents the best estimate off air value within that range as permitted under Ind AS 109.</p> <p>The accounting for investments is a Key Audit Matter as the determination of recoverable value for impairment assessment/fair valuation involves significant management judgement and estimates.</p> <p>The impairment assessment and fair valuation for such investments have been carried out by the management in accordance with Ind AS 36 and Ind AS 113 respectively. The key inputs and judgements involved in the impairment/ fair valuation assessment of unquoted investments include:</p> <ul style="list-style-type: none"> • Forecast cash flows including assumptions on growth rates • Discount rates • Terminal growth rate • Economic and entity specific factors incorporated in the valuation. 	<ul style="list-style-type: none"> • We assessed the carrying value/fair value calculations of all individually material investments, where applicable, to determine whether the valuations performed by the Company were within an acceptable range determined by us and the valuation experts. • We checked the mathematical accuracy of the impairment model and agreed the relevant data with the actual past results and other supporting documents. • We assessed the sensitivity analysis and evaluated whether any reasonably foreseeable change in assumptions could lead to impairment or material change in fair valuation. • We had inquired with management to obtain an understanding of the relevant factors in respect of certain investments carried at fair value where a wide range of fair values were possible due to various factors such as absence of recent observable transactions, existence of multiple valuation techniques, investee's varied nature of portfolio of investments for which significant estimates/ judgements are required to arrive at fair value. • We have discussed the key assumptions and sensitivities for certain investments with those charged with governance. • We evaluated the adequacy of the disclosures made in the Standalone Financial Statements. • Based on the above procedures performed, we did not identify any significant exceptions in the management's assessment in relation to the carrying value of investments in subsidiaries and fair value of investment in associates and other companies.
---	---

Other Information

The Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's annual report, but does not include the financial statements and our auditors' report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the Company's annual report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and take necessary actions, as applicable under the relevant laws and regulations.

We have nothing to report in this regard.

Management's and Board of Directors' Responsibilities for the Standalone Financial Statements

The Company's management and Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the state of affairs, profit/loss and other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

Those Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- (a) Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- (b) Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to standalone financial statements in place and the operating effectiveness of such controls.
- (c) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management and Board of Directors.
- (d) Conclude on the appropriateness of management's and Board of Directors' use of the going concern basis of accounting in preparation of standalone financial statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- (e) Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Ind AS financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of section 143(11) of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. (A) As required by Section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - (c) The standalone balance sheet, the standalone statement of profit and loss (including other comprehensive income), the standalone statement of changes in equity and the standalone statement of cash flows dealt with by this Report are in agreement with the books of account.
 - (d) In our opinion, the aforesaid standalone financial statements comply with the Indian Accounting Standards as specified under Section 133 of the Act., read with the Companies (Indian Accounting Standards) Rules, 2015, as amended.
 - (e) On the basis of the written representations received from the directors as on 31 March 2022, taken on record by the Board of Directors, none of the directors is disqualified as on 31st March 2022 from being appointed as a director in terms of section 164(2) of the Act.
 - (f) With respect to the adequacy of the internal financial controls with reference to standalone financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".

- (g) With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- (a) The Company has disclosed the impact of pending litigations as at 31st March 2022 on its financial position in its standalone financial statements- Refer note no. 53 to the standalone financial statements.
 - (b) The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - (c) There were no amounts which were required to be transferred to the Investors Education and Protection Fund by the Company
 - (d)
 - (i) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other persons or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever ("Ultimate Beneficiaries") by or on behalf of the Company or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - (ii) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any persons or entities, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever ("Ultimate Beneficiaries") by or on behalf of the Funding Parties or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - (iii) Based on the audit procedures performed that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause d (i) and d (ii) contain any material mis-statement.
 - (e) No dividend has been declared or paid during the year by the Company
- (C) With respect to the matter to be included in the Auditors' Report under section 197(16) of the Act:
- In our opinion and according to the information and explanations given to us, the remuneration paid by the Company to its directors during the current year is in accordance with the provisions of section 197 read with Schedule V to the Act.

Annexure A to the Independent Auditors' Report on the Standalone financial statements of Vikas Lifecare limited (Formerly Known as Vikas Multicorp Limited) for the year ended 31st March 2022

(Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' section of our report of even date) With reference to the Annexure A referred to in the Independent Auditors' Report to the members of the Company on the standalone financial statements for the year ended 31st March 2022, we report the following:

- i) a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of property, plant and equipment.
- (B) The Company has maintained proper records showing full particulars of intangible assets.
- b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has a regular programme of physical verification of its property, plant and equipment by which all property, plant and equipment are verified in a phased manner. In accordance with this programme, certain property, plant and equipment were verified during the year. In our opinion, periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets. No material discrepancies were noticed on such verification.
- c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of immovable properties (other than immovable properties where the Company is the lessee and the lease agreements are duly executed in favour of the lessee) disclosed in the Standalone financial statements are held in the name of the Company as the balance sheet date except the following:-

Description of Property	Gross Carrying Amount (in Rs. Lakhs)	Held in the name of	Whether promoter, director or their relative or employee	Portion held (i.e date of Capitalization – Provide Range /)	Reason for not holding in the name of the Company
Land and Building Located at Delhi, Haryana	97.75 lacs	Vikas Ecotech Limited	No	Held since November 20, 2018	Ownership of these land and building was transferred and vested to M/s Vikas Lifecare Limited from M/s Vikas Ecotech Limited under section 230 to 232 of the Companies Act, 2013 in terms of the demerger scheme approved by National Company Law tribunal vide order dated 20.11.2018. Title deeds are pending mutation in the name of the Company.

- d) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not revalued its property, plant and equipment or intangible assets or both during the year. Since the Company does not carry any Right of Use assets, the revaluation thereof is not applicable. Consequently, the question of our commenting on whether the revaluation is based on the valuation by a Register Valuer, or specifying the amount of change, if the change is 10% or more in the aggregate of the net carrying value of each class of Property, Plant and Equipment (including Right of Use Assets) or intangible Assets does not arise.
- e) According to the information and explanations given to us and on the basis of our examination of the records of the Company, there are no proceedings initiated or pending against the Company for holding any benami

property under the Prohibition of Benami Property Transactions Act, 1988 (as amended in 2016) (formerly the Benami Transactions (Prohibition) Act, 1988 (45 of 1988)) and rules made thereunder & therefore question of our commenting on whether the Company has appropriately disclosed the details in its standalone financial statement does not arise.

- ii) a) The inventory has been physically verified by the management during the year. In our opinion, the frequency of such verification is reasonable and procedures and coverage as followed by management were appropriate. No discrepancies were noticed on verification between the physical stocks and the book records that were 10% or more in the aggregate for each class of inventory.
- b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has been sanctioned working capital limits in excess of five crore rupees, in aggregate, from banks or financial institutions on the basis of the security of current assets. Returns or statements filled quarterly with such banks are in agreement with books of account other than those as disclosed the in Note No 23A to the Standalone Financial Statement and as set out below:

Quarter Ended	Name of the Bank	Particulars of Securities Provided	Amount as per books of account	Amount disclosed as per Quarterly return/ statement	Difference	Reason for variance
30-06-2021	Union Bank of India and Punjab National Bank under Multiple Banking Arrangement	Refer Note (i) below	2,928.54	6,526.00	(3,597.46)	Refer Note (ii) below

- i. Inventory, Trade Receivables upto 180 days, Advance to Suppliers net of Trade payables and advance from customers.
- ii. Difference is primarily on account of
- Difference in ageing of trade receivables of less than 180 days and more than 180 days due to ageing provided in the statement from the due date of invoices after credit period of 90 days.
 - Trade payables of related parties were excluded in the statement.
 - Other Creditors for Goods were short reported.
- iii. Working Capital Facility has been fully repaid by the Company and closed by the bankers on August 7, 2021 therefore details are for 1st quarter only.
- iii) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company, during the year, has not provided any guarantee or security to companies, firms, limited liability partnerships or any other parties during the year. The Company, during the year, has made investment and granted loans and advances in the nature of loans during the year to companies and other parties. The Company, during the year, has not made investment, provided guarantees or granted loans or advances in the nature of loans during the year to firms or limited liability partnerships.
- a) Based on the audit procedures carried out by us and as per the information and explanations given to us, the Company has granted loans and advances in the nature of loan to Companies and other parties as below:

Particulars	Loans (Rs. In Lakhs)	Advances in nature of loans (Rs. In Lakhs)
Aggregate amount during the year		
- Subsidiary	872.29	-
- Others	720.00	64.71
Balance outstanding as at the balance sheet date in respect of above cases		
- Subsidiary	878.99	-
- Others	619.16	66.76

- b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, in our opinion, the investments made and the terms and conditions of the grant of all loans and advances in the nature of loans, during the year, to companies or any other parties are, prima facie, not prejudicial to the Company's interest. During the year the Company has not provided guarantees, provided security to companies, firms, Limited Liability Partnerships or any other parties and made investment and granted loans and advances in the nature of loans to firms and Limited Liability Partnerships.
- c) According to the information and explanations given to us and based on the audit procedures conducted by us, in our opinion, the Company has granted loans during the year to companies where the schedule of repayment of principal and payment of interest has been stipulated and the repayment or receipts are regular. In respect of advance in the nature of loan granted to other parties, the schedule of repayment of principal and payment of interest has not been stipulated in the agreement. Hence, we are unable to make a specific comment on the regularity of repayment of principal and payment of interest in respect of such loan.
- d) According to the information and explanations given to us and on the basis of our examination of the records of the Company, there are no amounts of loans and advances in the nature of loans granted to companies or any other parties which are overdue for more than ninety days.
- e) According to the information and explanations given to us and on the basis of our examination of the records of the Company, there is no loan or advance in the nature of loans granted to companies or other parties which had fallen due during the year.
- f) According to the information and explanations given to us and on the basis of our examination of the records of the Company, as disclosed in note 13 to the standalone financial statements, the Company has granted loans or advances in the nature of loans, either repayable on demand or without specifying any terms or period of repayment to companies or any other parties. Of these following are the details of the aggregate amount of loans or advances in the nature of loans granted to promoters or related parties as defined in clause (76) of section 2 of the Companies Act, 2013:

	All Parties	Promoters	Related Parties
Aggregate amount of loans/ advances in nature of loans - Repayable on demand	Rs. 1,564.93 Lakhs	Nil	Rs. 878.99 Lakhs
Percentage of loans/ advances in nature of loans to the total loans	100.00 %	Nil	56.17 %

- iv) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has neither made any investments nor has it given loans or provided guarantee or security as specified under Section 185 of the Companies Act, 2013 ("the Act") and the Company has not provided any guarantee as specified under Section 186 of the Act. Further, in our opinion, the Company has complied with the provisions of Section 186 of the Act in relation to loans given and investments made and security provided.
- v) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has neither accepted any deposits from the public nor accepted any amounts which are deemed to be deposits within the meaning of sections 73 to 76 of the Companies Act, 2013 and the rules made thereunder, to the extent applicable. Accordingly, the requirement to report on clause 3(v) of the Order is not applicable to the Company.
- vi) To the best of our information and according to the explanations provided to us by the Company and the books of account and records examined by us in the normal course of audit, we state that, the maintenance of cost records has not been specified by the Central Government under sub section (1) of section 148 of the Companies Act, 2013 for the business activities carried out by the Company. Accordingly, the requirements to report under Paragraph 3(vi) of the Order are not applicable to the Company.

- vii) a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company is regular in depositing with appropriate authorities undisputed statutory dues including goods and services tax, provident fund, employees' state insurance, income-tax, sales-tax, service tax, duty of customs, duty of excise, value added tax, cess and other statutory dues applicable to it. According to the information and explanations given to us and based on audit procedures performed by us, no undisputed amounts payable in respect of these statutory dues were outstanding, at the year end, for a period of more than six months from the date they became payable.
- b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, there are no statutory dues relating to goods and services tax, provident fund, employees' state insurance, income-tax, sales-tax, service tax, duty of customs, duty of excise, value added tax, cess and other statutory dues applicable to it which have not been deposited on account of any dispute, except as mentioned below:

Name of the statute	Nature of dues	Amount (In Rs. Lakhs)	Period to which the amount relates (Financial Year)	Forum where dispute is pending
Income Tax Act, 1961	Income Tax Demand	45.03	A.Y. 2017-18	CIT(A)-Delhi

- viii) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not surrendered or disclosed any transactions, previously unrecorded as income in the books of account, in the tax assessments under the Income Tax Act, 1961 as income during the year. Accordingly, the requirement to report on clause 3(viii) of the Order is not applicable to the Company.
- ix) a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not defaulted in repayment of dues to financial institutions and banks during the year.
- b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not been declared a wilful defaulter by any bank or financial institution or government or government authority.
- c) In our opinion and according to the information and explanations given to us by the management, the Company has utilized the monies raised by term Loans for the purposes for which they were obtained.
- d) According to the information and explanations given to us and on an overall examination of the balance sheet of the Company, we report that no funds raised on short-term basis have been used for long-term purposes by the Company.
- e) According to the information and explanations given to us and on an overall examination of the standalone financial statements of the Company, we report that the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, as defined under the Companies Act, 2013.
- f) According to the information and explanations given to us and procedures performed by us, we report that the Company has not raised loans during the year on the pledge of securities held in its subsidiaries (as defined under the Companies Act).
- x) a) The Company has raised money by way of further public offer (Right Issues) offered during the year. In our opinion and according to information and explanations given to us and as disclosed in note 17A to the standalone financial statements, the money raised during the year by way of further public offer (right issues) have been applied, on overall basis, for the purpose for which they were raised, though idle/surplus funds which were not required for immediate utilization have been invested in liquid investments receivable on demand.

- b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year. Accordingly, clause 3(x)(b) of the Order is not applicable.
- xi) a) Based on examination of the books and records of the Company and according to the information and explanations given to us, considering the principles of materiality outlined in the Standards on Auditing, we report that no fraud by the Company or on the Company has been noticed or reported during year nor have we been informed of any such case by the management.
- b) According to the information and explanations given to us, no report under sub-section (12) of Section 143 of the Act has been filed by the auditors in Form ADT-4 as prescribed under Rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government.
- c) As represented to us by the management, there are no whistle blower complaints received by the Company during the year.
- xii) According to the information and explanations given to us, the Company is not a Nidhi Company. Accordingly, clause 3(xii) of the Order is not applicable to the Company.
- xiii) In our opinion and according to the information and explanations given to us, the transactions with related parties are in compliance with Section 177 and 188 of the Act, where applicable, and the details of the related party transactions have been disclosed in the standalone financial statements as required by the applicable Indian accounting standards.
- xiv) a) Based on information and explanations provided to us and our audit procedures, in our opinion, the Company has an internal audit system commensurate with the size and nature of its business.
- b) We have considered the internal audit reports of the Company issued till date for the period under audit.
- xv) In our opinion and according to the information and explanations given to us, the Company has not entered into any non-cash transactions with its directors or persons connected to its directors and hence requirement to report on clause 3(xv) of the Order is not applicable to the Company.
- xvi) a) The provisions of section 45-IA of the Reserve Bank of India Act, 1934 (2 of 1934) are not applicable to the Company. Accordingly, the requirement to report on clause (xvi)(a) of the Order is not applicable to the Company.
- b) The Company has not conducted any Non-Banking Financial or Housing Finance activities without obtained a valid Certificate of Registration (CoR) from the Reserve Bank of India as per the Reserve Bank of India Act, 1934.
- c) The Company is not a Core Investment Company (CIC) as defined in the regulations made by Reserve Bank of India. Accordingly, Clause 3(xvi)(c) of the order is not applicable to the Company.
- d) According to the information and explanations provided to us during the course of audit, the Group does not have any CICs which are a part of the Group. We have not, however, separately evaluated whether the information provided by the Management is accurate and complete. Accordingly, the requirements of clause 3(xvi)(d) are not applicable to the Company.
- xvii) The Company has incurred cash losses in the current year amounting to Rs. 142.41 Lakhs. In the immediately preceding financial year, the Company had not incurred cash losses.
- xviii) There has been resignation of the statutory auditor's during the year and as informed to us by the management no issues, objections and/or concern has been raised by the resigning auditor.
- xix) According to the information and explanations given to us and on the basis of the financial ratios disclosed in note 55 to standalone financial statements, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the standalone financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as

on the date of the audit report that the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

- xx) In our opinion and according to the information and explanations given to us and as disclosed in Note 42 of the Standalone financial statements, provisions of Section 135 of the Companies Act, 2013 are not applicable to the Company. Accordingly, clauses 3(xx)(a) and 3(xx)(b) of the Order are not applicable to the Company.
- xxi) The reporting under clause 3(xxi) of this order is not applicable in respect of audit of standalone financial statements. Accordingly, no comment in respect of the said clause has been included in this report.

Annexure B to the Independent Auditors' report on the standalone financial statements of Vikas Lifecare Limited (Formerly Known as Vikas Multicorp Limited) for the year ended 31 March 2022

Report on the internal financial controls with reference to the aforesaid standalone financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013

(Referred to in paragraph 2(A)(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Opinion

We have audited the internal financial controls with reference to standalone financial statements of **Vikas Lifecare Limited (Formerly Known as Vikas Multicorp Limited)** ("the Company") as of 31 March 2022 in conjunction with our audit of the standalone financial statements of the Company as at and for the year ended on that date.

Management's and Board of Directors' Responsibilities for Internal Financial Controls

The Company's management and the Board of Directors are responsible for establishing and maintaining internal financial controls based on the criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "Guidance Note"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to standalone financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to standalone financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to standalone financial statements were established and maintained and whether such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to standalone financial statements and their operating effectiveness. Our audit of internal financial controls with reference to standalone financial statements included obtaining an understanding of such internal financial controls, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to standalone financial statements.

Meaning of Internal Financial Controls with Reference to Standalone Financial Statements

A company's internal financial controls with reference to standalone financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to standalone

financial statements include those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised

acquisition, use, or disposition of the company's assets that could have a material effect on the standalone financial statements.

Inherent Limitations of Internal Financial Controls with Reference to Standalone Financial Statements

Because of the inherent limitations of internal financial controls with reference to standalone financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to standalone financial statements to future periods are subject to the risk that the internal financial controls with reference to standalone financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to standalone financial statements and such internal financial controls were operating effectively as at 31 March 2022, based on the internal financial controls with reference to standalone financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note.

COMPANY OVERVIEW AND SIGNIFICANT ACCOUNTING POLICIES

1 Company Information

Vikas Lifecare Limited (Formerly Known as Vikas Multicorp Limited) (the Company) is a public company domiciled in India and is incorporated under the provisions of the Companies Act, 1956 as applicable in India. Its shares are listed on recognised Bombay stock exchange and National Stock Exchange in India. The registered office of the company is located at G-1, 34/1, Vikas House, East Punjabi Bagh, New Delhi-110052. The Company is principally engaged in the business of Trader of Plastic, polymer and chemicals, Iron & Steel and Plastic Products. The Company is engaged in the business of Manufacturing of PVC Compounds & Agro processing units. Further organisation has also started dealing in FMCG Segment in which it includes FMCG Products, aluminium foils, processed food products, cashews-processing units as well as engaged in dealing of Raw And Finished Cashew Nuts & Dry Fruits.

2 Significant accounting policies

2.01 Basis of compliance

The Standalone Financial Statements which comprises the Balance Sheet as at 31st March'2022, Statement of Profit & Loss, Statement of Cash Flow & Statement of Changes in Equity for the year ending 31st March'2022 and a summary of the Significant Accounting Policies & Other Explanatory Information (together herein after as 'Standalone Financial Statements'), have been prepared in accordance with Indian Accounting Standards notified under section 133 of the Companies Act'2013 read with rule 3 of the Companies (Indian Accounting Standards) Rules 2015 as amended from time to time, the provisions of the Companies Act'2013 (the Act) to the extent notified, guidelines issued by SEBI & other accounting principles generally accepted in India. The standalone Financial Statements have been approved by the Board of Directors in its meeting held on 28th May'2022.

2.02 Basis of preparation and presentation

The Standalone Financial Statements have been prepared on the historical cost basis, except financial instruments and defined benefit plans which are measured at fair value at the end of each reporting period. Historical cost is generally based on the fair value of the consideration given in exchange for goods and services. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Presentation requirements of Division II of Schedule III of The Companies Act, 2013 as amended as applicable to Standalone Financial Statements have been followed. The standalone Financial Statements are presented in Indian Rupees (INR) in Lakhs rounded off to 2 decimal place as permitted by schedule III to the Companies Act, 2013. All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Act.

2.03 Critical accounting estimates, assumptions and judgements

The preparation of the Standalone Financial Statements requires management to make estimates, assumptions and judgments that affect the reported balances of assets and liabilities and disclosures as at the date of the Standalone Financial Statements and the reported amounts of income and expense for the periods presented.

The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates considering different assumptions and conditions.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and future periods are affected.

The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying values of assets and liabilities within the next financial year are discussed below.

(i) Estimation of defined benefit obligation

Employee benefit obligations are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments. These include the estimation of the appropriate discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, the employee benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date. Significant assumptions are required when setting these criteria and a change in these assumptions would have a significant impact on the amount recorded in the Company's balance sheet and the statement of profit and loss.

(ii) Estimation of current tax and deferred tax

Significant management judgment is required to determine the amount of deferred tax assets that can be recognised, based upon the likely timing and the level of future taxable profits. The amount of total deferred tax assets could change if management estimates of projected future taxable income or if tax regulations

undergo a change. Current and deferred tax are recognised as an expense or income in the statement of profit and loss, except when they relate to items credited or debited either in other comprehensive income or directly in other equity.

(iii) Useful lives of depreciable/amortizable assets

Management reviews the estimated useful lives and residual value of PPE and Intangibles at the end of each reporting period. Factors such as changes in the expected level of usage, technological developments and amortization product life-cycle, could significantly impact the economic useful lives and the residual values of these assets. Consequently the future depreciation and amortization charge could be revised and may have an impact on the profit of the future years. This such reassessment may result in change in depreciation and amortisation expense in future periods

-In the process of applying the Company's accounting policies, Management has made the following judgements, which have the most significant effect on the amounts recognised in the Statements of Profit and Loss

(i) Fair value measurement

Management applies valuation techniques to determine the fair value of financial instruments (where active market quotes are not available) and non-financial assets. This involves developing estimates and assumptions consistent with how market participants would price the instrument. Management bases its assumptions on observable data as far as possible but this is not always available. In that case management uses the best information available. Estimated fair values may vary from the actual prices that would be achieved in an arm's length transaction at the reporting date (refer note 47). The change in considerations of inputs for making assumption about these factors could affect the reported fair value.

(ii) Evaluation of indicators for impairment of assets

The evaluation of applicability of indicators of impairment of assets is based on assessment of several external and internal factors which could result in deterioration of recoverable amount of the assets.

(iii) Provisions and contingencies

From time to time, the Company is subject to legal proceedings, the ultimate outcome of each being subject to uncertainties inherent in litigations. A provision for litigation is made when it is considered probable that a payment will be made and the amount can be reasonably estimated. Significant judgement is required when evaluating the provision including, the probability of an unfavourable outcome and the ability to make a reasonable estimate of the amount of potential loss. Provisions for litigations are reviewed at each accounting period and revisions made for the changes in facts and circumstances. Contingent liabilities are disclosed in the notes forming part of the Standalone Financial Statements. Contingent assets are not disclosed in the Standalone Financial Statements unless an inflow of economic benefits is probable.

2.04 Current and non-current classification

The Company presents assets and liabilities in the balance sheet based on current/non-current classification.

An asset is classified as current when it satisfy any of the following criteria:

- It is expected to be realized or intended to be sold or consumed in normal operating cycle;
- It is held primarily for the purpose of trading of traded & manufactured goods
- It is expected to be realized within twelve months after the reporting period; or
- It is cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.
- Current assets includes current portion of assets.

A liability is classified as current when it satisfy any of the following criteria::

- It is expected to be settled in normal operating cycle;
- It is held primarily for the purpose of trading of traded & manufactured goods
- It is due to be settled within twelve months after the reporting period; or
- There is no unconditional right to defer settlement of the liability for at least twelve months after the reporting period.
- Current Liabilities includes current portion of liabilities.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

Operating Cycle:

Based on the nature of activities of the company & normal time between acquisition of assets & their realization in cash & cash equivalents, the company has determined its operating cycle as 12 months for the purpose of classification of its assets & liabilities as current & non-current.

2.05 Property Plant & Equipment

i) Initial recognition and measurement

An item of property, plant and equipments recognized as an asset if and only if it is probable that future economic benefits associated with the item will flow to the company and the cost of the item can be measured reliably.

Items of Property, Plant and Equipment are measured at cost less accumulated depreciation/amortization and accumulated impairment losses. Cost includes expenditure that is directly attributable to bringing the asset, inclusive of non-refundable taxes & duties, to the location and condition necessary for it to be capable of operating in the manner intended by management. When parts of an item of property, plant and equipment have different useful life, they are recognized separately. Items of spare parts, stand-by equipment and servicing equipment which meet the definition of Property, Plant and Equipment are capitalized. Property, Plant and Equipments which are not ready for intended use as on the date of Balance Sheet are disclosed as 'Capital Work-In-Progress'.

ii) Subsequent costs

Subsequent expenditure is recognized as an increase in the carrying amount of the asset when it is probable that future economic benefits deriving from the cost incurred will flow to the enterprise and the cost of the item can be measured reliably.

The cost of replacing part of an item of property, plant and equipment is recognized in the carrying amount of the item if it is probable that the future economic benefits embodied within the part will flow to the Company and its cost can be measured reliably. The carrying amount of the replaced part is derecognized. The costs of the day-to-day servicing of Property, Plant and Equipment are recognized in profit or loss as incurred.

iii) De-recognition

Property, Plant and Equipment are derecognized when no future economic benefits are expected from their use or upon their disposal. Gains and losses on disposal of an item of property, plant and equipment are determined by comparing the proceeds from disposal with the carrying amount of property, plant and equipment, and are recognized in the statement of profit and loss.

iv) Depreciation

Depreciation is recognized in statement of profit or loss on a written down value over the estimated useful life of each item of Property, Plant and Equipment.

Depreciation on additions to/deductions from property, plant and equipment during the year is charged on pro-rata basis from/up to the date on which the asset is available for use/disposed.

Depreciation on property, plant and equipment is provided on their estimated useful life as prescribed by Schedule II of Companies Act, 2013 as follows:

1) Buildings	30 years
2) Plant & Machinery	15 years
3) Furniture & Fixtures	10 years
4) Vehicles	08 years
5) Office Equipments	05 years
6) Electrical Installation	10 years
7) Computer	03 years
8) Leasehold Improvements	Over the period of lease

The residual value, useful life and methods of PPE are reviewed at each financial year end and adjusted prospectively.

2.06 Capital work-in-progress

The cost of self-constructed assets includes the cost of materials & direct labour, borrowing costs, any other costs directly attributable to bring the assets to the location and condition necessary for it to be capable of operating in the manner intended by management.

2.07 Intangible assets

i) Initial recognition and measurement

An intangible asset is recognized if and only if it is probable that the expected future economic benefits that are attributable to the asset will flow to the company and the cost of the asset can be measured reliably. Intangible assets that are acquired by the Company, which have infinite useful lives, are recognized at cost less accumulated impairment losses, if any. Cost includes any directly attributable incidental expenses necessary to make the assets ready for its intended use.

- (a) **Intangible assets acquired separately**
Intangible assets with finite useful lives that are acquired separately are carried at cost less accumulated amortisation and accumulated impairment losses. Amortisation is recognised on a straight-line basis over their estimated useful lives. The estimated useful life and amortisation method are reviewed at the end of each reporting period, with the effect of any changes in estimate being accounted for on a prospective basis. Intangible assets with indefinite useful lives are carried at cost less accumulated impairment losses.
- (b) **Intangible assets acquired in a business combination**
Intangible assets other than goodwill acquired in a business combination are initially recognised at their fair value at the acquisition date (which is regarded as their cost). Subsequent to initial recognition, such intangible assets acquired in a business combination are reported at cost less accumulated amortisation and accumulated impairment losses, on the same basis as intangible assets that are acquired separately
- ii) **Subsequent costs**
Subsequent expenditure is recognized as an increase in the carrying amount of the asset when it is probable that future economic benefits deriving from the cost incurred will flow to the enterprise and the cost of the item can be measured reliably.
- iii) **De-recognition**
An intangible asset is derecognized when no future economic benefits are expected from their use or upon their disposal. Gains and losses on disposal of an item of intangible assets are determined by comparing the proceeds from disposal with the carrying amount of intangible assets and are recognized in the statement of profit and loss.
- (iv) **Useful lives of Intangible Assets**
Estimated useful lives of the Intangible Assets are as follows:
Type of Asset Useful Life
Non-Compete Fees. 10 years
- v) **Amortization**
Amortization is made on straight line method over a period of legal right to use

2.08 Impairment of property, plant and equipment, other intangible assets

Assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable and impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is higher of an asset's fair value less costs of disposal and value in use. For the purpose of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or Company of assets (cash generating units). If at the balance sheet date, there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount subject to a maximum of depreciated historical cost and the same is accordingly reversed in the statement of profit and loss.

2.09 Investment Property

Investment properties are measured at cost less accumulated depreciation and impairment losses, if any. Depreciation on building is provided over the estimated useful lives as specified in Schedule II to the Companies Act, 2013.

2.10 Inventories

Inventories are valued at the lower of cost or net realisable value. The cost of inventories is based on the first-in-first-out formula, and includes expenditure incurred in acquiring the inventories, production or conversion costs and other costs incurred in bringing them to their present location and condition.

Cost incurred in bringing each product to its present location and conditions are accounted for as follows:

- Raw materials: Purchase cost on first-in-first out basis
- Finished goods and work in progress: Cost of direct materials and labour and a proportion of manufacturing overheads based on the normal operating capacity, but excluding borrowing costs
- Inventory related to real estate division: Valued at cost or Net Reliasable Value whichever is lower

Net realisable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and selling expenses

Raw materials, components and other supplies held for use in production of finished goods are not written down below cost except in cases where material prices have declined and it is estimated that the cost of the finished products will exceed their net realisable value.

Obsolete, slow moving, defective inventories, shortage/ excess are identified at the time of physical verification of inventories and wherever necessary provision/ adjustment is made for such inventories.

2.11 Cash and Cash Equivalents

It includes cash on hand, deposits held at call with banks and other short-term deposits which are readily convertible into known amounts of cash, are subject to an insignificant risk of change in value and have original maturities of less than one year. These balances with banks are unrestricted for withdrawal and usage.

2.12 Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

i) Financial assets:

Financial assets are recognised when the Company becomes a party to the contractual provisions of the instrument.

a) Initial recognition and measurement

All financial assets are recognized initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset.

b) Subsequent measurement

Financial assets are subsequently classified and measured at:

- Financial assets at amortised cost
- Financial assets at fair value through profit and loss (FVTPL)
- Financial assets at fair value through other comprehensive income (FVTOCI).

c) Equity Instruments:

All investments in equity instruments in subsidiary entity are measured at cost and investments in equity instruments in associate entity are measured at fair value.

All investments in equity instruments in entities other than subsidiaries and joint ventures are measured at fair value. Equity instruments if held for trading are classified as at FVTPL. For all other equity instruments, the Company decides to classify the same either at FVTOCI or FVTPL. The Company makes such election on an instrument by instrument basis. The classification is made on initial recognition and is irrevocable.

If the company decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instruments, excluding dividends, are recognized in the OCI. There is no recycling of the amounts from OCI to P&L, even on sale of investment as the company transfers cumulative gain or loss within the equity.

Equity instruments if classified as FVTPL category are measured at fair value with all changes recognized in the statement of profit and loss.

d) De-recognition

A financial asset (or, where applicable, a part of a financial asset or part of a Company of similar financial assets) is primarily derecognized (i.e. removed from the Company's balance sheet) when:

- The contractual rights to receive cash flows from the asset have expired, or
- The Company has transferred its contractual rights to receive cash flows from the asset.

e) Impairment of Financial Asset

Expected credit losses are recognized for all financial assets subsequent to initial recognition in Statement of Profit and loss.

For recognition of impairment loss on financial assets other than Trade receivables, the company determines whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide impairment loss. However, If credit risk is increased significantly, lifetime ECL is used.

f) Income on Financial Asset

-Dividend income from investments is recognised when the shareholder's right to receive payment has been established. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition. Delayed payment charges are recognised on collection or earlier when there is reasonable certainty to expect ultimate collection.

If, in a subsequent period, credit quality of the instrument improves to such extent that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognising impairment loss allowance based on 12- Month ECL.

For trade receivables Company applies 'simplified approach' which requires expected lifetime losses to be recognised from initial recognition of the receivables. The Company uses historical default rates to determine impairment loss on the portfolio of trade receivables. At every reporting date these historical default rates are reviewed and changes in the forward looking estimates are analysed.

ii) Financial liabilities
a) Initial recognition and measurement

All financial liabilities are recognized at fair value and in case of loans, net of directly attributable cost. Fees of recurring nature are directly recognised in the Statement of Profit and Loss as finance cost.

b) Subsequent measurement

Financial liabilities are carried at amortized cost using the effective interest method. Amortized cost is calculated by taking into account any discount or premium on acquisition and any material transaction that are any integral part of the EIR. Trade and other payables maturing within one year from the balance sheet date are carried at transaction value and the carrying amounts approximate fair value due to the short maturity of these instruments.

Financial liabilities carried at fair value through profit or loss are measured at fair value with all changes in fair value recognised in the Statement of Profit and Loss.

c) De-recognition

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the statement of profit or loss.

2.13 Offsetting of Financial Instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the group or the counterparty.

2.14 Fair value measurement

The Company measures financial instruments, such as, derivatives at fair value at each balance sheet date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the company. The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest. A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use. The company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1 – Quoted (unadjusted) market prices in active markets for identical assets or liabilities

Level 2 – Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or Indirectly observable

Level 3 – Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For assets and liabilities that are recognized in the financial statements on a recurring basis, the company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period. The Company determines the policies and procedures for both recurring fair value measurement, such as derivative instruments and unquoted financial assets measured at fair value, and for non-recurring measurement, such as assets held for distribution in discontinued operations.

2.15 Impairment of Financial Assets

All financial assets except for those at FVTPL are subject to review for impairment at least at each reporting date to identify whether there is any objective evidence that a financial asset or a company of financial assets is impaired. Different criteria to determine impairment are applied for each category of financial assets. In accordance with Ind-AS 109, the company applies expected credit loss (ECL) model for measurement and recognition of impairment loss for financial assets carried at amortised cost. ECL is the weighted average of difference between all contractual cash flows that are due to the company in accordance with the contract and all the cash flows that the company expects to receive, discounted at the original effective interest rate, with the respective risks of default occurring as the weights. When estimating the cash flows, the company is required to consider -- All contractual terms of the financial assets (including prepayment and extension) over the expected life of the assets.- Cash flows from the sale of collateral held or other credit enhancements that are integral to the contractual terms.- To measure the expected credit losses, trade receivables have been grouped based on shared credit risk characteristics and the days past due. The expected credit loss provision for trade receivables is determined as follows:

Particulars	Expected Loss Rate
Not Past Due	0 %
Past due between 1 year to 2 year	5%
Past due 2 to 3 year	15%
Past due between 3 year	100%

2.16 Provisions, Contingent Liabilities and Contingent Assets

Provision are measured at the Present value of the management's best estimate (these estimated are reviewed at each reporting date and adjusted to reflect the current best estimate) of the expenditure required to settle the present obligation at the end of reporting period. Provisions involving substantial degree of estimation in measurement are recognized when there is a present obligation as a result of past events and it is probable that there will be an outflow of resources.

Contingent liabilities are disclosed only when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events which is not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or estimate of the amount cannot be measured reliably.

Contingent Asset

A contingent asset is a possible asset that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity. Commitments are future liabilities for contractual expenditure, classified and disclosed as follows:

- estimated amount of contracts remaining to be executed on capital account and not provided for;
- uncalled liability on shares and other investments partly paid;
- funding related commitment to associate and joint venture companies; and
- other non-cancellable commitments, if any, to the extent they are considered material and relevant in the opinion of management.

Commitments include the amount of purchase orders (net of advances) issued to parties for completion of assets.

2.17 Revenue Recognition

Revenue from contracts with customers is recognised when control of goods & services is transferred to the customer at an amount that reflects the consideration to which the company expects to be entitled in exchange of transferring promised goods or services having regards to terms of the contract and is recognised to the extent that it is probable that the economic benefits will flow to the company and the revenue can be reliably measured, regardless of when the payment is being made. Amount of sales are net of goods and service tax, sale returns, trade allowances and discounts but inclusive of excise duty.

To determine whether to recognize revenue, the company follows a 5-step process:

1. Identifying the contract with a customer
2. Identifying the performance obligations
3. Determining the transaction price
4. Allocating the transaction price to the performance obligations
5. Recognising revenue when/as performance obligation(s) are satisfied.

The company considers the terms of the contract and its customary business practice to determine the transaction price.

In all cases, the total transaction price is allocated amongst the various performance obligations based on their relative standalone selling price. The transaction price excludes amounts collected on behalf of third parties. The consideration promised include fixed amounts, variable amounts, or both.

Revenue is recognised either at a point in time or over time, when (or as) the company satisfies performance obligations by transferring the promised goods or services to its customers.

For each performance obligation identified the company determines at contract inception whether it satisfies the performance obligation over time or satisfies the performance obligation at point in time. If any entity does not satisfy a performance obligation over time, the performance obligation is satisfied at a point in time. A receivable is recognised where the company's right to consideration is unconditional (i.e. any passage of time is required before payment if the consideration is due). When either party to a contract has performed, an entity shall present the contract in the balance sheet as contract asset or contract liability, depending on the relationship between the entity's performance and the customer's payment.

While this represents significant new guidance, the implementation of this new guidance had no impact on the timing or amount of revenue recognised by the company in any year.

Company continues to account for export benefits on accrual basis.

Other income

All other income is recognized on accrual basis when no significant uncertainty exists on their receipt.

Interest income

Interest income from a financial asset is recognized when it is probable that the economic benefits will flow to the company and the amount of income can be measured reliably. Interest is accrued on time proportion basis, by reference to the principle outstanding at the effective interest rate.

Dividends

Income from dividend on investments is accrued in the year in which it is declared, whereby the company's right to receive is established.

2.18 Non-current assets held for sale and discontinued operations

Non-current assets (including disposal groups) classified as held for sale are measured at the lower of their carrying value and fair value less costs to sell.

Assets and disposal groups are classified as held for sale if their carrying value will be recovered through a sale transaction rather than through continuing use. This condition is only met when the sale is highly probable and the asset, or disposal group, is available for immediate sale in its present condition and is marketed for sale at a price that is reasonable in relation to its current fair value. The Company must also be committed to the sale, which should be expected to qualify for recognition as a completed sale within one year from the date of classification.

Where a disposal group represents a separate major line of business or geographical area of operations, or is part of a single co-ordinated plan to dispose of a separate major line of business or geographical area of operations, then it is treated as a discontinued operation. The post-tax profit or loss of the discontinued operation together with the gain or loss recognised on its disposal are disclosed as a single amount in the statement of profit and loss, with all prior periods being presented on this basis.

2.19 Foreign Currency Conversions/Transactions

The Company's Standalone Financial Statements are presented in Indian Rupees (in Rs. Lakhs). Foreign Currency Transactions are recorded at the exchange rates prevailing on the date of the transactions. Gains and losses arising out of subsequent fluctuations are accounted for on actual payments or realisations as the case may be. Monetary assets and liabilities denominated in foreign currency as on Balance Sheet date are translated into functional currency at the exchange rates prevailing on that date and Exchange differences arising out of such conversion are recognised in the Statement of Profit and Loss.

2.20 Income Taxes

Tax expense for the year comprises of current and deferred tax. The tax currently payable is based on taxable profit for the year.

a) Current Tax

The tax currently payable is based on taxable profit for the year. Taxable profit differs from net profit as reported in the statement of profit and loss because it excludes items of income or expense that are taxable or deductible in other years and it further excludes items that are never taxable or deductible. The Company's liability for current tax is calculated using tax rates and tax laws that have been enacted or substantively enacted by the end of the reporting period.

b) Deferred Tax

Deferred tax is the tax expected to be payable or recoverable on differences between the carrying value of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit and is accounted for using the balance sheet liability method. Deferred tax liabilities are generally recognised for all taxable temporary differences. In contrast, deferred tax assets are only recognised to the extent that it is probable that future taxable profits will be available against which the temporary differences can be utilised.

The carrying value of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered. Deferred tax is calculated at the tax rates that are expected to apply in the period when the liability is settled or the asset is realised based on the tax rates and tax laws that have been enacted or substantially enacted by the end of the reporting period. The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying value of its assets and liabilities. Deferred tax assets and liabilities are offset to the extent that they relate to taxes levied by the same tax authority and there are legally enforceable rights to set off current tax assets and current tax liabilities within that jurisdiction.

c) Minimum Alternate Tax (MAT)

Minimum alternate tax (MAT) paid in a year is charged to the statement of profit and loss as current tax for the year. The deferred tax asset is recognised for MAT credit available only to the extent that it is probable that the company will pay normal income tax during the specified period, i.e., the period for which MAT credit is allowed to be carried forward. In the year in which the company recognizes MAT credit as an asset, it is created by way of credit to the statement of profit and loss and shown as part of deferred tax asset. The company reviews the "MAT credit entitlement" asset at each reporting date and writes down the asset to the extent that it is no longer probable that it will pay normal tax during the specified period.

2.21 Employee Benefits

i) Short Term Employee Benefits

Short-term employee benefit obligations are measured on an undiscounted basis and are expensed as the related service is provided. A liability is recognized for the amount expected to be paid under performance related pay if the Company has a present, legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

ii) Post-Employment benefits

Employee benefit that are payable after the completion of employment are Post-Employment Benefit (other than termination benefit). Company has identified two types of post employment benefits:

a) Defined contribution plans

Defined contribution plans are those plans in which the company pays fixed contribution into separate entities and will have no legal or constructive obligation to pay further amounts. Provident Fund and Employee State Insurance are Defined Contribution Plans in which company pays a fixed contribution and will have no further obligation beyond the monthly contributions and are recognised as an expenses in Statement of Profit & Loss.

b) Defined benefit plans

A defined benefit plan is a post-employment benefit plan other than a defined contribution plan. Company pays Gratuity as per provisions of the Gratuity Act, 1972. The Company's net obligation in respect of defined benefit plans is calculated separately for each plan by estimating the amount of future benefit that employees have earned in return for their service in the current C176and prior periods; that benefit to employees is discounted to determine its present value.

The calculation is performed annually by a qualified actuary using the projected unit credit method. The net interest cost is calculated by applying the discount rate to the net balance of C176the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the statement of profit and loss. Any actuarial gains or losses pertaining to components of re-measurements of net defined benefit liability/(asset) are recognized in OCI in the period in which they arise.

2.22 Borrowing Cost

Borrowings costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for the intended use or sale.

Investment income earned on temporary investment of specific borrowings pending their expenditure on qualifying assets is recognised in the statement of profit and loss.

Discounts or premiums and expenses on the issue of debt securities are amortised over the term of the related securities and included within borrowing costs. Premiums payable on early redemptions of debt securities, in lieu of future finance costs, are recognised as borrowing costs.

All other borrowing costs are recognised as expenses in the period in which it is incurred.

2.23 Earning Per Share

Basic Earning Per Share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by weighted average number of equity shares outstanding during the period. The weighted average number of equity shares is adjusted for bonus shares, bonus element in the right issue to existing shareholders. For the purpose of calculating diluted earnings per share, net profit after tax during the year and the weighted average number of shares outstanding during the year are adjusted for the effect of all dilutive potential equity shares.

2.24 Leases

The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a define period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified assets, the Company assesses whether: (i) the contact involves the use of an identified asset (ii) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and (iii) the Company has the right to direct the use of the asset.

- (a) The Company as a lessee, The Company recognises a right of use asset and a lease liability at the lease commencement date. The right of use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received.

The right of use asset is subsequently depreciated using the straight-line method from the commencement date to the earlier of the end of the useful life of the right of use asset or the end of the lease term. The estimated useful lives of right of use assets are determined on the same basis as those of property and equipment. In addition, the right of use asset is periodically reduced by impairment losses, if any, and adjusted for certain remeasurements of the lease liability.

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the interest rate implicit in the lease or, if that rate cannot be readily determined, the Company's incremental borrowing rate. For leases with reasonably similar characteristics, the Company, on a lease by lease basis, may adopt either the incremental borrowing rate specific to the lease or the incremental borrowing rate for the portfolio as a whole.

Lease payments included in the measurement of the lease liability comprise the fixed payments, including in-substance fixed payments and lease payments in an optional renewal period if the Company is reasonably certain to exercise an extension option;

The lease liability is measured at amortised cost using the effective interest method

The Company has elected not to recognise right of use assets and lease liabilities for short-term leases that have a lease term of 12 months or less and leases of low-value assets. The Company recognises the lease payments associated with these leases as an expense on a straight-line basis over the lease term. The Company applied a single discount rate to a portfolio of leases of similar assets in similar economic environment with a similar end date.

(b) The company as lessor-

Leases for which the Company is a lessor are classified as finance or operating leases. Whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee, the contract is classified as a finance lease. All other leases are classified as operating leases.

Rental income from operating leases is recognised on a straight-line basis over the term of the relevant lease. Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognised on a straight-line basis over the lease term.

Amounts due from lessees under finance leases are recognised as receivables at the amount of the Company's net investment in the leases. Finance lease income is allocated to accounting periods so as to reflect a constant periodic rate of return on the Company's net investment outstanding in respect of the leases.

Subsequent to initial recognition, the Company regularly reviews the estimated unguaranteed residual value and applies the impairment requirements of Ind AS 109, recognising an allowance for expected credit losses on the lease receivables.

Finance lease income is calculated with reference to the gross carrying amount of the lease receivables, except for credit impaired financial assets for which interest income is calculated with reference to their amortised cost (i.e. after a deduction of the loss allowance).

When a contract includes both lease and non-lease components, the Company applies Ind AS 115 to allocate the consideration under the contract to each component.

2.25 Statement of Cash Flows

Statement of cash flows is prepared in accordance with the Indirect method prescribed in Ind AS-7 'Statement of cash flows.

2.26 Segment reporting

The operating segments are the segments for which separate financial information is available and for which operating profit/loss amounts are evaluated regularly by the Managing Director and Chief Executive Officer (who is the Company's chief operating decision maker) in deciding how to allocate resources and in assessing performance.

The accounting policies adopted for segment reporting are in conformity with the accounting policies of the Company. Segment revenue, segment expenses, segment assets and segment liabilities have been identified to segments on the basis of their relationship to the operating activities of the segment. Inter segment revenue is accounted on the basis of transactions which are primarily determined based on market / fair value factors. revenue, expenses, assets and liabilities which relate to the Company as a whole and are not allocable to segments on a reasonable basis have been included under 'unallocated revenue / expenses / assets / liabilities'.

2.27 Dividend

Final dividend on shares is recorded as a liability on the date of approval by the shareholders and interim dividends are recorded as a liability on the date of declaration by the Company's Board of Directors

2.28 Recent Indian Accounting Standard (Ind AS) and note on COVID-19

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. On March 23, 2022, MCA amended the Companies (Indian Accounting Standards) Amendment Rules, 2022, as below

a. Ind AS 16 | Property, plant and equipment

The amendment clarifies that excess of net sale proceeds of items produced over the cost of testing, if any, shall not be recognised in the profit or loss but deducted from directly attributable costs considered as part of

cost of an item of property, plant and equipment. The effective date for adoption of this amendment is annual periods beginning on or after 1st April, 2022.

b. Ind AS 37 | Provisions, contingent liabilities and contingent assets

The amendment specifies that the 'cost of fulfilling' a contract comprises the 'costs that relate directly to the contract'. Costs that relate directly to a contract can either be incremental costs of fulfilling that contract (examples would be direct labour, materials) or an allocation of other costs that relate directly to fulfilling contracts (an example would be the allocation of the depreciation charge for an item of property, plant and equipment used in fulfilling the contract). The effective date for adoption of this amendment is annual periods beginning on or after 1st April, 2022, although early adoption is permitted.

c. Ind AS 103 | Business combinations

The amendments specify that to qualify for recognition as part of applying the acquisition method, the identifiable assets acquired and liabilities assumed must meet the definitions of assets and liabilities in the Conceptual Framework for Financial Reporting under Indian Accounting Standards (Conceptual Framework) issued by the Institute of Chartered Accountants of India at the acquisition date. These changes do not significantly change the requirements of Ind AS 103 – Business Combinations. The Company does not expect the amendment to have any significant impact in its financial statements.

d. Ind AS 109 | Financial instruments

The amendment clarifies which fees an entity includes when it applies the '10%' test in assessing whether to derecognise a financial liability. An entity includes only fees paid or received between the entity (the borrower) and the lender, including fees paid or received by either the entity or the lender on the other's behalf. The Company is in the process of evaluating the impact of these amendments.

NOTES FORMING PART OF THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED March'31, 2022

a. Disclosures relating to fair valuation of investment property

Fair value of the above investment property comprises of following mentioned property:

- Property owned by the company situated at Office No. 412,4th Floor, B Ilting, Express Zone, VI/estern Express Highway, Goregaon(East), Mumbai-400097 has been valued by Value Edge Professionals Pvt Ltd (Registered Valuer) having Reg No. IBBI/RvE/02/2022/159 at a Fair Value of Rs. 194.00 Lakhs vide Certificate no. 2022-23/05/VEP/FMV/100-10 dated 15th May'2022.
- Property owned by the company situated at Office No. 1001, 10th Floor, B Wing, Express Zone, Western Express Highway, Goregaon(East), Mumbai-400097 has been valued by Value Edge Professionals Pvt

Ltd (Registered Valuer) having Reg No. IBBI/RvE/02/2022/159 at a Fair Value of Rs. 496.00 Lakhs vide Certificate no. 2022-23/05/VEP/FMV/100-09 dated 15th May 2022.

3. Property owned by the company situated at Office No. 412,4th Floor, B Wing, Express Zone, western Express Highway, Goregaon (East), Mumbai-400097 has been valued by Value Edge Professionals Pvt Ltd (Registered Valuer) having Reg No. IBBI/RE/02/2022/159 at a Fair Value of Rs.165.00 Lakhs vide Certificate no. 2022-23/05/VEP/FMV/100-10 dated 15th May 2022.

Fair Value Hierarchy

The fair value of investment property has been determined by external independent property valuers, having appropriate recognised professional qualification and recent experience in the location and category of the property being valued.

The fair value measurement for all of the investment property has been categorised as a level 3 fair value based on the inputs to the valuation techniques used.

Description of valuation technique used

The Investigations for this valuation exercise are 'carried out according to IVS 102.20. Investigations made during the course of this valuation assignment have been appropriately carried away for the purpose of the valuation assignment and the basis of value. Sufficient evidences have been assembled by means of inspection, inquiry, computation and analysis to ensure that the valuation is properly supported. The following are the nature and sources of information upon which we relied upon:

- i. Circle Rates Notified by the concerned authority for the respective area.
 - ii. Sale Deed for area calculations and other verifications.
 - iii. Rates Prevailing in Open Market for Commercial Property in the Vicinity.
- b. **Premises given on lease:**
The Company has given investment property (land and building) on operating lease for 3 years and is renewable further as per mutually agreeable terms.
 - c. **Assets Held For Sale**

	Current	Non-current	Current	Non-current
Gratuity	1.08	12.34	0.68	6.72
Total	1.08	12.34	0.68	6.72

A Disclosure of gratuity
(i) Amount recognised in the statement of profit and loss is as under:

Particulars	As at March 31, 2022	As at March 31, 2021
Current service cost	4.88	2.46
Net interest cost (income)	0.46	0.59
Net impact on profit (before tax)	5.34	3.06
Actuarial loss/(gain) recognised during the year	0.67	(4.65)
Amount recognised in total comprehensive income	6.01	(1.59)

(ii) Change in the present value of obligation:

Particulars	As at March 31, 2022	As at March 31, 2021
Present value of defined benefit obligation as at the beginning of the year	7.41	9.00
Current service cost	4.88	2.46
Interest cost	0.46	0.59
Benefits paid	-	-
Actuarial loss/(gain)	0.67	(4.65)
Past Service Cost	-	-
Present value of defined benefit obligation as at the end of the period	13.42	7.41

(iii) Reconciliation of present value of defined benefit obligation and the fair value of assets:

Particulars	As at March 31, 2022	As at March 31, 2021
Present value of funded obligation as at the end of the year	13.42	7.41
Fair value of plan assets as at the end of the period funded status	-	-
Unfunded/funded net liability recognized in balance sheet	13.42	7.41

(iv) **Breakup of actuarial (gain)/loss:**

Particulars	As at March 31, 2022	As at March 31, 2021
Actuarial (gain)/loss from change in demographic assumption	-	-
Actuarial (gain)/loss from change in financial assumption	-0.39	0.21
Actuarial (gain)/loss from experience adjustment	1.06	(4.86)
Total actuarial (gain)/loss	0.67	(2.24)

 (v) **Actuarial assumptions**

Particulars	As at March 31, 2022	As at March 31, 2021
Discount rate	6.60%	6.20%
Rate of increase in compensation levels	7.00%	7.00%
Withdrawal Rates	15% p.a. at all age	15% p.a. at all age
Retirement age	75 yrs.	75 yrs.

Notes:

- 1) The discount rate is based on the prevailing market yield of Indian Government bonds as at the balance sheet date for the estimated terms of obligations.
- 2) The estimates of future salary increases considered takes into account the inflation, seniority, promotion and other relevant factors.

 (vi) **Sensitivity analysis for gratuity liability**

Particulars	As at March 31, 2022	As at March 31, 2021
Impact of change in discount rate		
Present value of obligation at the end of the year		
- Decrease due to increase of 0.5 %	13.90	7.69
- Increase due to decrease of 0.5 %	12.96	7.14
Impact of change in salary increase		
Present value of obligation at the end of the year		
- Increase due to increase of 0.5 %	13.89	7.15
- Decrease due to decrease of 0.5 %	12.96	7.68
Impact of withdrawal rate		
-Withdrawal rate * 110 %	13.70	7.58
-Withdrawal rate * 90 %	13.14	7.24
Impact of Mortality rate		
-Mortality rate * 110 %	13.42	7.41
-Mortality rate * 90 %	13.41	7.41

The above sensitivity analysis is based on a change an assumption while holding all other assumptions constant. In practice, this is unlikely to occur and changes in some of the assumptions may be correlated. When calculating the sensitivity of the defined benefit obligation to significant actuarial assumptions the same method (present value of the defined benefit obligation calculated with the projected unit credit method at the end of the reporting period) has been applied which was applied while calculating the defined benefit obligation liability recognised in the balance sheet.

The methods and types of assumptions used in preparing the sensitivity analysis did not change compared to previous year

 (vii) **Maturity profile of defined benefit obligation**

Particulars	As at March 31, 2022	Year Ended March 31, 2021
Within next 12 months	1.08	0.68
Between 1-5 years	6.50	3.37
Beyond 5 years	15.93	8.75

B Defined Contribution Plan

Particulars	As at March 31, 2022	Year Ended March 31, 2021
Contribution to Provident and other funds	-	-
Total	-	-

45 Related Party Disclosure

(i) The related parties as per terms of Ind AS-24, " related Party Disclosure" , (specified under section 133 of the Companies Act , 2013, read with rule 7 of (Accounts) Rule , 2015) and Section 188 of Companies Act, 2013 are disclosed below :-

46 Information on Segment Reporting pursuant to Ind AS 108 - Operating Segments

Operating segments:

Real estate Division
 Trading Division -Polymers
 Trading Division -Agro
 Trading Division -Infrastructure
 Manufacturing Division- Cashew Nuts
 Manufacturing Division- Polymers

Identification of segments:

The chief operational decision maker monitors the operating results of its business segments separately for the purpose of making decisions about resource allocation and performance assessment. Segment performance is evaluated based on profit and loss of the segment and is measured consistently with profit or loss in these financial statements. Operating segments have been identified on the basis of the nature of products.

Segment revenue and results

The expenses and income which are not directly attributable to any business segment are shown as unallocable expenditure (net of unallocable income).

Segment assets and liabilities:

Assets used by the operating segments mainly consist of property, plant and equipment, trade receivables, cash and cash equivalents and inventories. Segment liabilities include trade payables and other liabilities. Common assets and liabilities which cannot be allocated to any of the segments are shown as a part of unallocable assets/liabilities.

The measurement principles of segments are consistent with those used in preparation of these financial statements. There are no inter-segment transfers

47 Fair value disclosures
i) Fair values hierarchy

All assets and liabilities for which fair value is measured or disclosed in the Standalone Financial Statements are categorised within the fair value hierarchy, described as follows:

Level 1: Quoted prices (unadjusted) in active markets for financial instruments.

Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data rely as little as possible on entity specific estimates.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3.

Financial assets and liabilities measured at fair value - recurring fair value measurements

As at March 31, 2022	Level 1	Level 2	Level 3	Total
Assets at fair value				
Investments measured at fair value through other comprehensive Income	59.34	-	3,024.00	3,083.34
Investments measured at fair value through profit and loss	5,350.86	-	-	5,350.86
Total	5,410.19	-	3,024.00	8,434.19

As at March 31, 2021	Level 1	Level 2	Level 3	Total
Assets at fair value				
Investments measured at fair value through other comprehensive Income	332.39	-	-	332.39
Investments measured at fair value through profit and loss	-	-	-	-
Total	332.39	-	-	332.39

There have been no transfers between levels during the period.

Valuation process and technique used to determine fair value

- (i) The management assessed that fair value of cash and cash equivalents, trade receivables, trade payables, bank overdrafts and other current financial assets and liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments.
- (ii) The fair values of the equity investment which are quoted, are derived from quoted market prices in active markets. The Investments measured at fair value and falling under fair value hierarchy Level 3 are valued on the basis of valuation reports provided by external valuers with the exception of certain investments, where cost has been considered as an appropriate estimate of fair value because of a wide range of possible fair value measurements and cost represents the best estimate of fairvalues within that range.
- (iii) The fair value of non-current borrowings carrying floating-rate of interest is not impacted due to interest rate changes, and will not be significantly different from their carrying amounts as there is no significant change in the under-lying credit risk of the Company (since the date of inception of the loans).

(ii) Fair value of instruments measured at amortised cost

Fair value of instruments measured at amortised cost for which fair value is disclosed is as follows:

(Figures in Lakhs.)

Particulars	As at March 31, 2022		As at March 31, 2021	
	Carrying value	Fair value	Carrying value	Fair value
Financial assets				
Loans	2,154.16	2,154.16	607.44	607.44
Trade receivables	5,037.21	5,037.21	7,125.85	7,125.85
Cash & cash equivalents	523.98	523.98	18.75	18.75
Other financial assets	529.09	529.09	760.23	760.23
Total financial assets	8,244.44	8,244.44	8,512.26	8,512.26
Financial liabilities				
Borrowings	656.89	656.89	4,175.68	4,175.68
Trade Payables	6,468.44	6,468.44	3,765.65	3,765.65
Other Financial Liabilities	1,019.91	1,019.91	29.91	29.91
Total financial liabilities	8,145.23	8,145.23	7,971.24	7,971.24

The management assessed that cash and cash equivalents, other bank balances, trade receivables, trade payables, short term borrowings and other current financial liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments. The fair value of the financial assets and liabilities is included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale. The following methods and assumptions were used to estimate the fair value

All long term borrowing facilities availed by the Company are variable rate facilities which are subject to changes in underlying interest rate indices. Further, the credit spread on these facilities are subject to change with changes in Company's creditworthiness. The management believes that the current rate of interest on these loans are in close approximation from market rates applicable to the Company. Therefore, the management estimates that the fair value of these borrowings are approximate to their respective carrying values.

48 Financial Instruments
i) Financial instruments by category

The following table presents the carrying amounts of each category of financial assets and liabilities as at March 31 2020.

(Figures in Lakhs.)

ii) Financial Risk Management

The Company's activities expose it to market risk, liquidity risk and credit risk. The Company's board of directors has overall responsibility for the establishment and oversight of the Company's risk management framework. This note explains the sources of risk which the entity is exposed to and how the entity manages the risk and the related impact in the financial statements.

Risk	Exposure arising from	Measurement
Credit risk	Cash and cash equivalents, trade receivables, financial assets measured at amortised cost	Ageing analysis
Liquidity risk	Borrowings and other liabilities	Rolling cash flow forecasts
Market risk - interest rate	Borrowings at variable rates	Sensitivity analysis

A) Credit risk

Credit risk is the risk that a counterparty fails to discharge an obligation to the Company. The Company is exposed to this risk for various financial instruments, for example by granting loans and receivables to customers, placing deposits, etc. The Company's maximum exposure to credit risk is limited to the carrying amount of following types of financial assets.

- cash and cash equivalents,
- trade receivables,
- loans & receivables carried at amortised cost, and
- deposits with banks

a) Credit risk management

The Company assesses and manages credit risk based on internal credit rating system, continuously monitoring defaults of customers and other counterparties, identified either individually or by the Company, and incorporates this information into its credit risk controls. Internal credit rating is performed for each class of financial instruments with different characteristics. The Company assigns the following credit ratings to each class of financial assets based on the assumptions, inputs and factors specific to the class of financial assets.

(a) Low credit risk (b) Moderate credit risk (c) High credit risk

Assets under credit risk –

Credit rating	Particulars	As at March 31, 2022	As at March 31, 2021
A: Low	Investments	8,584.19	332.39
	Other financial assets	529.09	760.23
	Cash and cash equivalents	523.98	18.75
	Trade receivables	5,037.21	7,125.85
	Loan	2,154.16	607.44
B: Moderate Credit Risk			
C: High Risk	Trade receivables	-	-

Financial instruments and cash deposits

Credit risk from balances/investments with banks and financial institutions is managed in accordance with the Company's treasury risk management policy. Investments of surplus funds are made only with approved counterparties and within limits assigned to each counterparty. The limits are assigned based on corpus of investable surplus and corpus of the investment avenue. The limits are set to minimize the concentration of risks and therefore mitigate financial loss through counterparty's potential failure to make payments

Trade receivables and other financial assets

The Company has established a credit policy under which each new customer is analysed individually for creditworthiness before the payment and delivery terms and conditions are offered. The Company's review includes external ratings, if they are available, financial statements, credit agency information, industry information and business intelligence. Sale limits are established for each customer and reviewed annually. Any sales exceeding those limits require approval from the appropriate authority as per policy.

In monitoring customer credit risk, customers are grouped according to their credit characteristics, including whether they are an individual or a legal entity, whether they are a institutional, dealers or end-user customer, their geographic location, industry, trade history with the Company and existence of previous financial difficulties.

Expected credit loss for trade receivables:

The Company based on internal assessment which is driven by the historical experience/ current facts available in relation to default and delays in collection thereof, the credit risk for trade receivables is considered low. The Company estimates its allowance for trade receivable using lifetime expected credit loss.

Loan & Other financial assets measured at amortised cost includes security deposits, fixed deposits loan to related parties and others. Credit risk related to these other financial assets is managed by monitoring the recoverability of such amounts continuously, while at the same time internal control system in place ensure the amounts are within defined limits.

(i) **Provision for Expected Credit losses** (Figures in Lakhs.)

As at March 31, 2022	Estimated gross carrying amount at default	Expected credit losses	Carrying amount net of impairment provision
Cash and cash equivalents	523.98	-	523.98

Amount used during the period	-			
As at March 31, 2022	421.41	265.13	48.30	107.98

B) Liquidity risk

Liquidity risk is the risk that the Company may encounter difficulty in meeting its present and future obligations associated with financial liabilities that are required to be settled by delivering cash or another financial asset. The Company's objective is to, at all times maintain optimum levels of liquidity to meet its cash and collateral obligations. The Company requires funds both for short term operational needs as well as for long term investment programs mainly in growth projects. The Company closely monitors its liquidity position and deploys a robust cash management system. It aims to minimise these risks by generating sufficient cash flows from its current operations, which in addition to the available cash and cash equivalents, liquid investments and sufficient committed fund facilities, will provide liquidity.

a) Financing arrangements

(i) The Company had access to the following undrawn borrowing facilities at the end of the reporting period: Nil

(ii) Cash outflow for borrowing during year

Amount Allocated towards	As at March 31, 2022	As at March 31, 2021
Opening Balance	3,171.93	4,056.40
- Principal Borrowed	87.95	419.78
- Principal Repayment	2,778.11	1,694.73

Closing Balance		
Total	656.88	3,171.93

b) Maturities of financial liabilities

The tables below analyse the Company's financial liabilities into relevant maturity. Company's based on their contractual maturities for all non-derivative financial liabilities.

The below table analyses the Company's non-derivative financial liabilities as at the reporting date, into relevant maturity groupings based on the remaining period (as at that date) to the contractual maturity date. The amounts disclosed in the below table are the contractual undiscounted cash flows.

As at March 31, 2022	Carrying Amounts	Less than 1 year	1-3 year	3-5 year	More than 5 years	Total
Borrowings	553.51	394.63	13.51	167.02	-	575.16
Trade payable	1,889.50	1,889.50	-	-	-	1,889.50
Other financial liabilities	29.91	29.91	-	-	-	29.91
		2,314.03	13.51	167.02	-	2,494.57

As at March 31, 2021	Carrying Amounts	Less than 1 year	1-3 year	3-5 year	More than 5 years	Total
Borrowings	3,128.35	2,560.23	38.80	558.17	-	3,157.20
Trade payable	3,765.65	3,765.65	-	-	-	3,765.65
Other financial liabilities	29.91	29.91	-	-	-	29.91
Total	6,923.91	6,355.79	38.80	558.17	-	6,952.76

Impact of Covid 19 pandemic- Based on recent trends observed, profitability, cash generation, cash surpluses held and borrowing lines available, the Company does not envisage any material liquidity risks. Future outlook will depend on how the pandemic develops and the resultant impact on businesses.

C) Market Risk
a) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market rates. The Company's exposure to the risk of changes in market rates relates primarily to the Company's non-current debt obligations with floating interest rates.

As the Company does not have exposure to any floating-interest bearing assets, or any significant long-term fixed-interest bearing assets, its interest income and related cash inflows are not affected by changes in market interest rates

Interest rate risk exposure

Below is the overall exposure of the Company to interest rate risk:

(Figures in Lakhs.)

Particulars	As at March 31, 2022	As at March 31, 2021
Variable rate borrowing	656.89	4,175.68
Fixed rate borrowing	-	
Total borrowings	656.89	4,175.68

Sensitivity

Below is the sensitivity of profit or loss and equity changes in interest rates. (Figures in Lakhs.)

Particulars	As at March 31, 2022	As at March 31, 2021
Interest sensitivity*		
Interest rates – decrease by 100 bps*	(6.57)	(41.76)
Interest rates – increase by 100 bps*	6.57	41.76

* Holding all other variables constant

b) **Foreign Currency Risk**

Foreign exchange risk arises on future commercial transactions and on all recognised monetary assets and liabilities, which are denominated in a currency other than the functional currency of the Company. The Company's management has set a policy wherein exposure is identified, a benchmark is set and monitored closely, and accordingly suitable hedges are undertaken. The policy also includes mandatory initial hedging requirements for exposure above a threshold. The Company's foreign currency exposure arises mainly from foreign exchange imports and exports primarily with respect to USD.

As at the end of the reporting period, the carrying amounts of the Company's foreign currency denominated monetary assets and liabilities in respect of the primary foreign currency i.e. USD and derivative to hedge the exposure, are as follows:

Particulars	As at March 31, 2022	As at March 31, 2021
USD exposure		
Assets:-	-	-
Trade Receivables	1,177.92	189.86
Liabilities:-	-	-
Trade Payables	810.89	657.56
Net Exposure	367.03	-467.70

Foreign currency sensitivity analysis

The following table demonstrate the sensitivity to a reasonable possible change in USD exchange rate, with all other variables held constant. The impact on the Company's profit before tax due to changes in the fair value of monetary assets and liabilities and derivatives is as follows:

Particulars	As at March 31, 2022	As at March 31, 2021
If INR had strengthened) against USD by 5% Decrease in profit for the year	18.35	(23.39)
If INR had weakened against USD by 5% increase in profit for the year	(18.35)	23.39

Based on the movements in the foreign exchange rates historically and the prevailing market conditions as at the reporting date, the Company's Management has concluded that the above mentioned rates used for sensitivity are reasonable benchmarks.

c) **Competition and Price Risk**

The Company faces competition from competitors. Nevertheless, it believes that it has competitive advantage in terms of high quality products and by continuously upgrading its expertise and range of products to meet the needs of its customers.

d) **Equity price risk management**

The Company's exposure to equity price risk arises from investment held by the Company and classified as FVTOCI. In general, these investments are strategic investments and are not held for trading purposes. Reports on the equity portfolio are submitted to the Company's senior management on a regular basis

(i) **Equity price risk sensitivity analysis**

The following table demonstrate the sensitivity to a reasonable possible change in value of investment in Equity Shares and compulsorily convertible preference shares, with all other variables held constant. The impact on the Company's

Equity Share Capital due to changes in the price of Equity Share and compulsorily convertible preference shares is as follows:

Particulars	As at March 31, 2022	As at March 31, 2021
Change of 1% in price of Equity Shares	54.10	3.32
Change of 1% in price of compulsorily convertible preference shares	30.24	-

49 Capital management

For the purpose of the Company's capital management, capital includes issued equity capital and all other equity reserves attributable to the equity holders of the Company. The primary objective of the Company's capital management is to ensure that it maintains a strong credit rating and healthy capital ratios in order to support its business and maximise shareholder value.

The Company manages its capital structure and makes adjustments to it in light of changes in economic conditions and the requirements of the financial covenants. The Company monitors capital using a gearing ratio, which is net debt divided by total capital plus net debt. The Company's policy is to keep the gearing ratio optimum. The Company includes within net debt, interest bearing term loans and working capital borrowings.

(a) Debt equity ratio

Particulars	As at March 31, 2022	As at March 31, 2021
Total debt	656.89	4,175.68
Less: Cash & Cash Equivalent	523.98	18.75
Net debt	132.91	4,156.93
Total equity	19,863.84	6,666.95
Net debt to equity ratio	0.01	0.62

51 Revenue related disclosures

(Figures in Lakhs.)

a. Disaggregated revenue information

Particulars	As at March 31, 2022	As at March 31, 2021
Revenue from contracts with customers		
(i) Type of services		
(a) Sale of products	29,297.10	7,119.74
(b) Sale of services	-	-
(c) Other operating income	199.89	379.72
Total revenue covered under Ind AS 115	29,496.99	7,499.46
(ii) Type of customer base		
(a) Revenue from customers based in India	26,822.82	7,478.67
(a) Revenue from customers based outside India	2,674.17	20.79
Total revenue covered under Ind AS 115	29,496.99	7,499.46
(iii) Timing of revenue recognition		
(a) Goods and services transferred over time	-	-
(b) Goods and services transferred at a point in time	29,496.99	7,499.46
Total revenue covered under Ind AS 115	29,496.99	7,499.46

b. Contract balances

The following table provides information about receivables and contract liabilities from contract with customers:

(Figures in Lakhs.)

Particulars	As at March 31, 2022	As at March 31, 2021
Contract liabilities		
Advance received from customers	468.74	87.39
Total contract liabilities	468.74	87.39
Receivables		
Trade receivables	5,037.21	7,125.85
Total receivables	5,037.21	7,125.85

Receivable is the right to consideration in exchange for goods or services transferred to the customer. Contract liability is the entity's obligation to transfer goods or services to a customer for which the entity has received consideration from the customer in advance.

c. Movement of contract liabilities

Particulars	As at March 31, 2022	As at March 31, 2021
Amount included in contract liability at the beginning of the year	87.39	371.25
Amount received against contract liability during the year\	468.74	87.39
Performance obligations satisfied during the year	-87.39	-371.25
Amount included in contract liability at the end of the year	468.74	87.39

52

Lease

The Company's leasing arrangements are in respect of operating leases for premises (office/factory). These range between 5 months - 15 years and usually renewable on mutually agreed terms.

The schedule of future minimum lease rental payments in respect of non-cancellable operating leases is set out below:

Particulars	As at March 31, 2022	As at March 31, 2021
Payable not later than 1 year	10.95	6.08
Payable later than 1 year but not later than 5 year		
Payable later than 5 Year		

Amount Recognised in Statement of Profit and Loss

Particulars	As at March 31, 2022	As at March 31, 2021
Expenses relating to Short-term Lease	14.97	13.49

Adoption of Ind AS-116 Leases

The Company has adopted Ind AS 116, effective from April 1, 2019 and applied the standard to its leases retrospectively. The cumulative effect of initially applying the standard was recognised on April 1, 2019 as an adjustment to the retained earnings. All lease liabilities are short term and payable not more than 1 year and all lease liability recognised in profit and loss account.

53

Contingent liabilities and Commitments (to the extent not provided for)
Contingent liabilities

(Figures in Lakhs.)

Particulars	As at March 31, 2022	As at March 31, 2021
Claims against the company not acknowledged as debts		
1. Direct Tax laws*	45.03	79.31
2. Custom Duty**	110.29	125.35
3. Capital Commitment to be fulfilled in respect of purchase of properties***	2,312.31	-

* Income Tax dispute for the A.Y. 2017-18 to Rs. 45.03 Lakhs is pending at CIT(A), Delhi

INDEPENDENT AUDITORS' REPORT

To the Members of Vikas Lifecare Limited (Formerly Known as Vikas Multicorp Limited)

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of **M/s Vikas Lifecare Limited (Formerly Known as Vikas Multicorp Limited)** (hereinafter referred to as "Holding Company"), its Subsidiary (Holding Company and its subsidiary together referred to as "the Group") and its associate company which comprise the consolidated balance sheet as at 31st March 2022, the consolidated statement of profit and loss (including other comprehensive income), consolidated statement of changes in equity and consolidated statement of cash flows for the year then ended, and notes to the consolidated financial statements, including a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Company as at 31st March 2022, of its consolidated profit and other comprehensive income, consolidated changes in equity and consolidated cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group and its associate company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our opinion on the consolidated financial statements.

Key Audit Matters

Key audit matters ("KAM") are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Description of Key Audit Matter

The key Audit Matter	How the matter was addressed in our audit
<p>Assessment of carrying value of investments in associates and fair value of other investments</p> <p>The Company has investments in associates and other companies and also has made investments in preference shares.</p> <p>The Company accounts for other investments at fair value.</p> <p>During the year, the Company has invested Rs. 5,267.59 Lakhs in equity and preference shares of associate and other companies which are initially recorded at fair values and subsequently, carried at fair value through profit and loss or fair value through other comprehensive income (Refer Note 6 of the financial statements).</p> <p>For investments carried at or initially recorded at fair values, a fair valuation is done at the year-end</p>	<p>Our audit procedures included the following:</p> <p>We obtained an understanding from the management, assessed and tested the design and operating effectiveness of the Company's key controls over the impairment assessment and fair valuation of material investments.</p> <ul style="list-style-type: none"> We evaluated the Company's process regarding impairment assessment and fair valuation by involving valuation experts, where considered necessary, to assist in assessing the appropriateness of the valuation model including the independent assessment of the underlying assumptions relating to discount rate, terminal value etc. We assessed the carrying value/fair value calculations of all individually material investments, where applicable, to determine whether the valuations

<p>or at the time of initial recording, as applicable, in accordance with Ind AS 109. In case of certain investments, cost is considered as an appropriate estimate of fair value since there is a wide range of possible fair value measurements and cost represents the best estimate of fair value within that range as permitted under Ind AS 109.</p> <p>The accounting for investments is a Key Audit Matter as the determination of recoverable value for impairment assessment/fair valuation involves significant management judgement and estimates.</p> <p>The impairment assessment and fair valuation for such investments have been carried out by the management in accordance with Ind AS 36 and Ind AS 113 respectively. The key inputs and judgements involved in the impairment/ fair valuation assessment of unquoted investments include:</p> <ul style="list-style-type: none"> • Forecast cash flows including assumptions on growth rates • Discount rates • Terminal growth rate • Economic and entity specific factors incorporated in the valuation. 	<p>performed by the Company were within an acceptable range determined by us and the valuation experts.</p> <ul style="list-style-type: none"> • We checked the mathematical accuracy of the impairment model and agreed the relevant data with the actual past results and other supporting documents. • We assessed the sensitivity analysis and evaluated whether any reasonably foreseeable change in assumptions could lead to impairment or material change in fair valuation. • We had inquired with management to obtain an understanding of the relevant factors in respect of certain investments carried at fair value where a wide range of fair values were possible due to various factors such as absence of recent observable transactions, existence of multiple valuation techniques, investee's varied nature of portfolio of investments for which significant estimates/judgements are required to arrive at fair value. • We have discussed the key assumptions and sensitivities for certain investments with those charged with governance. • We evaluated the adequacy of the disclosures made in the consolidated Financial Statements. <p>Based on the above procedures performed, we did not identify any significant exceptions in the management's assessment in relation to the carrying value of investments in subsidiaries and fair value of investment in associates and other companies.</p>
---	---

Other Information

The Holding Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Holding Company's Annual Report, but does not include the financial statements and our auditors' report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the Holding company's annual report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and take necessary actions, as applicable under the relevant laws and regulations.

We have nothing to report in this regard.

Responsibilities of Management and Those charged with Governance for the Consolidated Financial Statements

The Holding Company's Management and Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation & presentation of these consolidated financial statements that give a true and fair view of the consolidated state of affairs, consolidated profit/loss and other comprehensive income, consolidated changes in equity and consolidated cash flows of the Group including its associate in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified

under section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. The respective Management and Board's of Directors of the companies included in the Group and of its associate company are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the each Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, the respective management and Board of Directors of the companies included in the group and of its associate are responsible for assessing the ability of each company to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Board of Directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

The respective Board of Directors of the companies included in the group and its associate are responsible for overseeing the financial reporting process of each company.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- (f) Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- (g) Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to consolidated financial statements in place and the operating effectiveness of such controls.
- (h) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management and Board of Directors.
- (i) Conclude on the appropriateness of management's and Board of Directors' use of the going concern basis of accounting in preparation of consolidated financial statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's and its associate company ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Group and its associate company to cease to continue as a going concern.
- (j) Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

- (k) Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group and its associate company to express an opinion on the Consolidated Financial Statements. We are responsible for the direction, supervision and performance of the audit of the financial Statements of such entity included in the Consolidated Financial Statements of which we are the independent auditors, for the other entities included in the Consolidated Financial Statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

Materiality is the magnitude of misstatements in the Consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Consolidated financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Ind AS financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

We did not audit the financial statements of one Subsidiary whose financial statements reflects total assets of Rs. 2,011.43Lacs and net assets of 102.51 Lakhs as at March 31st 2022, total revenue of Rs. 602.89 Lakhs, total net profit after taxes of Rs. 99.00 Lakhs, total comprehensive income (comprising of profit and other comprehensive income) of Rs. 97.69 Lakhs and net cash inflows amounting to Rs. 63.71 Lakhs for the period from January 14, 2022 to March 31, 2022, as considered in the consolidated financial statements. The consolidated Financial Statements also includes the group's share of Net profit after Tax of Rs 3.04 Lakhs, Group's Share in Total comprehensive income (comprising of Profit and other comprehensive income) of Rs. 3.39 Lakhs for the year ended March 31st 2022 as considered in consolidated financial statements, in respect of one associate Company, whose financial statements have not been audited by us. These financial statements have been audited by other auditors whose report have been furnished to us by the management, and our opinion on the consolidated financial statements insofar as it relates to the amount and disclosures included in respect of this subsidiary company, associate company and our report in terms of sub-section (3) of Section 143 of the Act including report on other information insofar as it relates to the aforesaid subsidiary and associate company, is based solely on the reports of the other auditors.

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matter with respect to our reliance on the work done and the reports of the other auditors.

Report on Other Legal and Regulatory Requirements

3. (A) As required by Section 143(3) of the Act, based on our audit and on the consideration of reports of other auditors on separate financial statements and other financial information of subsidiaries and associate, as noted in the 'other matter' paragraph, we report to the extent applicable, that:
- (h) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the consolidated financial statements.
 - (i) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and reports of the other auditors.
 - (j) The consolidated balance sheet, the consolidated statement of profit and loss (including other comprehensive income), the consolidated statement of changes in equity and the consolidated statement of cash flows dealt with by this Report are in agreement with the relevant books of account and records maintained for the purpose of preparation of the consolidated financial statements.
 - (k) In our opinion, the aforesaid consolidated financial statements comply with the Indian Accounting Standards specified under section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015, as amended.
 - (l) On the basis of the written representations received from the directors of the Holding Company as on March 31, 2022 taken on record by the Board of Directors of the holding company and the report of the statutory auditors of its subsidiary company and associate company, none of the directors of the Group companies and its associate company is disqualified as on 31st March 2022 from being appointed as a director in terms of section 164(2) of the Act.
 - (m) With respect to the adequacy of the internal financial controls with reference to consolidated financial statements of the Holding Company, its subsidiary company and its associate company incorporated in India and the operating effectiveness of such controls, refer to our separate Report in "Annexure A".
 - (n) With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, , in our opinion and to the best of our information and according to the explanations given to us and based upon the reports of other auditors on separate financial statements as also the other financial information of the subsidiary and associate, as noted in the 'Other matter' paragraph:
 - (f) The Consolidated Financial Statement has disclosed the impact of pending litigations as at 31st March 2022 on its financial position in its consolidated financial statements - refer note no. 53 to the consolidated financial statements.
 - (g) The Group and its associate did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - (h) There were no amounts which were required to be transferred to the Investors Education and Protection Fund by the Holding Company, its subsidiary and its associate company.
 - (i)
 - (i) The respective Management of the Holding Company, its subsidiary and its associate company has represented that, to the best of their knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Holding Company, its subsidiary and associate company to or in any other persons or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever ("Ultimate Beneficiaries") by or on behalf of the Holding Company, its Subsidiary and associate company or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

- (ii) The respective Management of the Holding Company, its subsidiary and its associate company has represented that, to the best of their knowledge and belief no funds have been received by the Holding Company, its subsidiary and its associate company from any persons or entities, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Holding Company, its subsidiary and its associate company shall directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever ("Ultimate Beneficiaries") by or on behalf of the Funding Parties or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
- (iii) Based on the audit procedures performed by us and that performed by auditor of the subsidiary company and associate company that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice or other auditor that has caused us or other auditors to believe that the representations under sub-clause d (i) and d (ii) contain any material mis-statement.
- (j) No dividend has been declared or paid during the year by the Holding Company.
- B. With respect to the matter to be included in the Auditors' Report under section 197(16) of the Act: In our opinion and according to the information and explanations given to us and based on the consideration of reports of other statutory auditors of subsidiary company and associate company, the remuneration paid by the Holding Company, its subsidiary company and its associate company to its directors during the current year is in accordance with the provisions of section 197 read with Schedule V to the Act.
- C. With respect to the matters specified in paragraphs 3(xxi) and 4 of the Companies (Auditor's Report) Order, 2020 (the "Order"/ "CARO") issued by the Central Government in terms of Section 143(11) of the Act, to be included in the Auditor's report, according to the information and explanations given to us, and based on the CARO reports issued by us for the Company and its subsidiary included in the consolidated financial statements of the Company, to which reporting under CARO is applicable, we report that there are no qualifications or adverse remarks in these CARO reports.

Annexure “A” to the Independent Auditors’ report on the consolidated financial statements of Vikas Lifecare Limited (Formerly Known as Vikas Multicorp Limited) for the year ended 31 March 2022

Report on the internal financial controls with reference to the aforesaid consolidated financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013

(Referred to in paragraph 2(A)(f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report of even date)

We have audited the internal financial controls with reference to consolidated financial statements of **Vikas Lifecare Limited** (“hereinafter referred to as Holding Company) as of 31 March 2022 in conjunction with our audit of the consolidated financial statements of the Holding Company and such companies incorporated in India under the Companies Act 2013 which are its subsidiary company and associate company, as at and for the year ended on that date.

Management’s and Board of Directors’ Responsibilities for Internal Financial Controls

The respective Company’s management and the Board of Directors are responsible for establishing and maintaining internal financial controls based on the criteria established by the respective Company considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors’ Responsibility

Our responsibility is to express an opinion on the internal financial controls with reference to consolidated financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to consolidated financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to consolidated financial statements were established and maintained and whether such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to consolidated financial statements and their operating effectiveness. Our audit of internal financial controls with reference to consolidated financial statements included obtaining an understanding of such internal financial controls, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls with reference to consolidated financial statements.

Meaning of Internal Financial Controls with Reference to Consolidated Financial Statements

A company’s internal financial controls with reference to consolidated financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of consolidated financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial controls with reference to consolidated financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of consolidated financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance

regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the consolidated financial statements.

Inherent Limitations of Internal Financial Controls with Reference to Consolidated Financial Statements

Because of the inherent limitations of internal financial controls with reference to consolidated financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to consolidated financial statements to future periods are subject to the risk that the internal financial controls with reference to consolidated financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Holding Company and such companies incorporated in India which are its subsidiary company and associate company have, in all material respects, adequate internal financial controls with reference to consolidated financial statements and such internal financial controls were operating effectively as at 31 March 2022, based on the internal financial controls with reference to consolidated financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "Guidance Note").

Other Matter

Our aforesaid report under section 143(3)(i) of the Companies Act, 2013 on the adequacy and operating effectiveness of the internal financial controls over financial reporting in so far as it relates to one Subsidiary company and one associate company, which are companies incorporated in India, is based solely on the corresponding reports of the auditors of such subsidiary company and associate company incorporated in India. Our opinion is not modified in respect of the above matter.

The Company is principally engaged in the business of Trader of Plastic, polymer and chemicals, Iron & Steel and Plastic Products. The Company is engaged in the business of Manufacturing of PVC Compounds & Agro processing units. Further organisation has also started dealing in FMCG Segment in which it includes FMCG Products, aluminum foils, processed food products, cashews-processing units as well as engaged in dealing of Raw And Finished Cashew Nuts & Dry Fruits.

2 Significant accounting policies

2.01 Basis of compliance

The Consolidated Financial Statements which comprises the Balance Sheet as at 31st March'2022, Statement of Profit & Loss, Statement of Cash Flow & Statement of Changes in Equity for the year ending 31st March'2022 and a summary of the Significant Accounting Policies & Other Explanatory Information (together herein after as 'Consolidated Financial Statements'), have been prepared in accordance with Indian Accounting Standards notified under section 133 of the Companies Act'2013 read with rule 3 of the Companies (Indian Accounting Standards) Rules 2015 as amended from time to time, the provisions of the Companies Act'2013 (the Act) to the extent notified, guidelines issued by SEBI & other accounting principles generally accepted in India. The Consolidated Financial Statements have been approved by the Board of Directors in its meeting held on 28th May'2022.

2.02 Basis of preparation and presentation

The Consolidated Financial Statements have been prepared on the historical cost basis, except financial instruments and defined benefit plans which are measured at fair value at the end of each reporting period. Historical cost is generally based on the fair value of the consideration given in exchange for goods and services. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Presentation requirements of Division II of Schedule III of The Companies Act, 2013 as amended as applicable to Consolidated Financial Statements have been followed. The Consolidated Financial Statements are presented in Indian Rupees (INR) in Lakhs rounded off to 2 decimal place as permitted by schedule III to the Companies Act, 2013

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Act.

The consolidated financial statements comprise the financial statements of the Company and its Subsidiary as at 31 March 2022.

Control is achieved when the Company is exposed, or has right, to variable return from its involvement with the investee and has the ability to affect those returns through its power over the investee. Specifically, the Company controls an investee if and only if the Company has:

- Power over the investee (i.e. existing rights that give it the current ability to direct the relevant activities of the investee)
- Exposure, or rights, to variable returns from its involvement with the investee, and
- The ability to use its power over the investee to affect its returns

The Company re-assesses whether or not it controls an investee if facts and circumstances indicates that there are changes to one or more of the three elements of control. Consolidation of a subsidiary begins when the Company obtains control over the subsidiary and ceases when the Company loses control of the subsidiary. Assets, Liabilities, income and expenses of a subsidiary acquired or disposed of during the year are included in the consolidated financial statements from the date the Company gains control until the date the Company ceases to control the subsidiary.

Consolidated financial statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances. If a member of the group uses accounting policies other than those adopted in the consolidated financial statements for like transactions and events in similar circumstances, appropriate adjustments are made to that group member's financial statement in preparing the consolidated financial statements to ensure conformity with the group's accounting policies.

The financial statements of all entities used for the purpose of consolidation are drawn up to same reporting date as that of the parent company, i.e. year ended on 31 March. Profit or loss, each component of other comprehensive income (OCI) is attributed to the equity holders of the Company and to the non-controlling interests, even if the results in the non-controlling interests having a deficit balance. All intragroup assets and liabilities, equity, income, expenses and cash flows relating to transactions between members of the group are eliminated in full on consolidation.

Consolidation Procedure:

- a. Combine like items of assets, liabilities, equity, income, expenses and cash flows to the Company with those of its subsidiaries. For this purpose, income and expenses of the subsidiaries are based on the amounts of the assets and liabilities recognised in the consolidated financial statements at the acquisition date.
- b. Offset (eliminate) the carrying amount of the Company's investment in each subsidiary and the Company's portion of equity of each subsidiary. Business combination policy explains how to account for any related goodwill.
- c. Eliminate in full intragroup assets and liabilities, equity, income, expenses and cash flows relating to transactions between entities of the group (profits or losses resulting from intra group transactions that are recognised in assets, such as inventory and fixed assets, are eliminated in full). Intra group losses may indicate an impairment that requires recognition in the consolidated financial statement. Ind AS 12 Income tax applies to temporary differences that arise from the elimination of profits and losses resulting from intra group transactions.

2.02A Business Combination and Goodwill

Business combinations are accounted for using the acquisition method. The cost of an acquisition is measured as the aggregate of the consideration transferred measured at acquisition date fair value and the amount of any non-controlling interests in the acquiree. For each business combination, the Group elects whether to measure the non-controlling interests in the acquiree at fair value or at the proportionate share of the acquiree's identifiable net assets. Acquisition-related costs are expensed as incurred.

At the acquisition date, the identifiable assets acquired and the liabilities assumed are recognized at their acquisition date fair values. For this purpose, the liabilities assumed include contingent liabilities representing present obligation and they are measured at their acquisition fair values irrespective of the fact that outflow of resources embodying economic benefits is not probable. However, the following assets and liabilities acquired in a business combination are measured at the basis Indicated below:

- Deferred tax assets or liabilities, and the assets or liabilities related to employee benefit arrangements are recognized and measured in accordance with Ind AS 12 Income Tax and Ind AS 19 Employee Benefits respectively.
- Reacquired rights are measured at a value determined on the basis of the remaining contractual term of the related contract. Such valuation does not consider potential renewal of the reacquired right.

When the Group acquires a business, it assesses the financial assets and liabilities assumed for appropriate classification and designation in accordance with the contractual terms, economic circumstances and pertinent conditions as at the acquisition date. This includes the separation of embedded derivatives in host contracts by the acquiree. Any contingent consideration to be transferred by the acquirer is recognized at fair value at the acquisition date. Contingent consideration classified as an asset or liability that is a financial instrument and within the scope of Ind AS 109 Financial Instruments, is measured at fair value with changes in fair value recognized in profit or loss. If the contingent consideration is not within the scope of Ind AS 109, it is measured in accordance with the appropriate Ind AS. Contingent consideration that is classified as equity is not re-measured at subsequent reporting dates and subsequent its settlement is accounted for within equity.

Goodwill is initially measured at cost, being the excess of the aggregate of the consideration transferred and the amount recognized for non-controlling interests, and any previous interest held, over the net identifiable assets acquired and liabilities assumed. If the fair value of the net assets acquired is in excess of the aggregate consideration transferred, the Group re-assesses whether it has correctly identified all of the assets acquired and all of the liabilities assumed and reviews the procedures used to measure the amounts to be recognized at the acquisition date. If the reassessment still results in an excess of the fair value of net assets acquired over the aggregate consideration transferred, then the gain is recognized in OCI and accumulated in equity as capital reserve. However, if there is no clear evidence of bargain purchase, the entity recognizes the gain directly in equity as capital reserve, without routing the same through OCI. After initial recognition, goodwill is measured at cost less any accumulated impairment losses. For the purpose of impairment testing, goodwill acquired in a business combination is, from the acquisition date, allocated to each of the Group's cash-generating units that are expected to benefit from the combination, irrespective of whether other assets or liabilities of the acquiree are assigned to those units. A cash generating unit to which goodwill has been allocated is tested for impairment annually, or more frequently when there is an indication that the unit may be impaired. If the recoverable amount of the cash generating unit is less than its carrying amount, the impairment loss is allocated first to reduce the carrying amount of any goodwill allocated to the unit and then to the other assets of the unit pro rata based on the carrying amount of each asset in the unit. Any impairment loss for goodwill is recognized in profit or loss. An impairment loss recognized for goodwill is not reversed in subsequent periods.

Where goodwill has been allocated to a cash-generating unit and part of the operation within that unit is disposed of, the goodwill associated with the disposed operation is included in the carrying amount of the operation when determining the gain or loss on disposal. Goodwill disposed in these circumstances is measured based on the relative values of the disposed operation and the portion of the cash-generating unit retained. If the initial accounting for a business combination is incomplete by the end of the reporting period in which the combination occurs, the Group reports provisional amounts for the items for which the accounting is incomplete. Those provisional amounts are adjusted through goodwill during the measurement period, or additional assets or liabilities are recognized, to reflect new information obtained about facts and circumstances that existed at the acquisition date that, if known, would have affected the amounts recognized at that date. These adjustments are called as measurement period adjustments. The measurement period does not exceed one year from the acquisition date

2.03 Critical accounting estimates, assumptions and judgements

The preparation of the Consolidated Financial Statements requires management to make estimates, assumptions and judgments that affect the reported balances of assets and liabilities and disclosures as at the date of the Consolidated Financial Statements and the reported amounts of income and expense for the periods presented.

The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates considering different assumptions and conditions.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and future periods are affected.

The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying values of assets and liabilities within the next financial year are discussed below.

(i) Estimation of defined benefit obligation

Employee benefit obligations are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments. These include the estimation of the appropriate discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, the employee benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date. Significant assumptions are required when setting these criteria and a change in these assumptions would have a significant impact on the amount recorded in the Company's balance sheet and the statement of profit and loss.

(ii) Estimation of current tax and deferred tax

Significant management judgment is required to determine the amount of deferred tax assets that can be recognised, based upon the likely timing and the level of future taxable profits. The amount of total

deferred tax assets could change if management estimates of projected future taxable income or if tax regulations undergo a change. Current and deferred tax are recognised as an expense or income in the statement of profit and loss, except when they relate to items credited or debited either in other comprehensive income or directly in other equity.

(iii) Useful lives of depreciable/amortizable assets

Management reviews the estimated useful lives and residual value of PPE and Intangibles at the end of each reporting period. Factors such as changes in the expected level of usage, technological developments and amortization product life-cycle, could significantly impact the economic useful lives and the residual values of these assets. Consequently the future depreciation and amortization charge could be revised and may have an impact on the profit of the future years. This such reassessment may result in change in depreciation and amortisation expense in future periods

-In the process of applying the Company's accounting policies, Management has made the following judgements, which have the most significant effect on the amounts recognised in the Statements of Profit and Loss

(i) Fair value measurement

Management applies valuation techniques to determine the fair value of financial instruments (where active market quotes are not available) and non-financial assets. This involves developing estimates and assumptions consistent with how market participants would price the instrument. Management bases its assumptions on observable data as far as possible but this is not always available. In that case management uses the best information available. Estimated fair values may vary from the actual prices that would be achieved in an arm's length transaction at the reporting date (refer note 47). The change in considerations of inputs for making assumption about these factors could affect the reported fair value.

(ii) Evaluation of indicators for impairment of assets

The evaluation of applicability of indicators of impairment of assets is based on assessment of several external and internal factors which could result in deterioration of recoverable amount of the assets.

(iii) Provisions and contingencies

From time to time, the Company is subject to legal proceedings, the ultimate outcome of each being subject to uncertainties inherent in litigations. A provision for litigation is made when it is considered probable that a payment will be made and the amount can be reasonably estimated. Significant judgement is required when evaluating the provision including, the probability of an unfavorable outcome and the ability to make a reasonable estimate of the amount of potential loss. Provisions for litigations are reviewed at each accounting period and revisions made for the changes in facts and circumstances. Contingent liabilities are disclosed in the notes forming part of the Consolidated Financial Statements. Contingent assets are not disclosed in the Consolidated Financial Statements unless an inflow of economic benefits is probable.

2.04 Current and non-current classification

The Company presents assets and liabilities in the balance sheet based on current/non-current classification.

An asset is classified as current when it satisfy any of the following criteria:

- It is expected to be realized or intended to be sold or consumed in normal operating cycle;
- It is held primarily for the purpose of trading of traded & manufactured goods
- It is expected to be realized within twelve months after the reporting period; or
- It is cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.
- Current assets includes current portion of assets.
- A liability is classified as current when it satisfy any of the following criteria::
- It is expected to be settled in normal operating cycle;
- It is held primarily for the purpose of trading of traded & manufactured goods
- It is due to be settled within twelve months after the reporting period; or
- There is no unconditional right to defer settlement of the liability for at least twelve months after the reporting period.

- Current Liabilities includes current portion of liabilities.
- Deferred tax assets and liabilities are classified as non-current assets and liabilities.

Operating Cycle:

Based on the nature of activities of the company & normal time between acquisition of assets & their realization in cash & cash equivalents, the company has determined its operating cycle as 12 months for the purpose of classification of its assets & liabilities as current & non-current.

2.05 Property Plant & Equipment
i) Initial recognition and measurement

An item of property, plant and equipments recognized as an asset if and only if it is probable that future economic benefits associated with the item will flow to the company and the cost of the item can be measured reliably.

Items of Property, Plant and Equipment are measured at cost less accumulated depreciation/amortization and accumulated impairment losses. Cost includes expenditure that is directly attributable to bringing the asset, inclusive of non-refundable taxes & duties, to the location and condition necessary for it to be capable of operating in the manner intended by management. When parts of an item of property, plant and equipment have different useful life, they are recognized separately. Items of spare parts, stand-by equipment and servicing equipment which meet the definition of Property, Plant and Equipment are capitalized. Property, Plant and Equipments which are not ready for intended use as on the date of Balance Sheet are disclosed as 'Capital Work-In-Progress'.

ii) Subsequent costs

Subsequent expenditure is recognized as an increase in the carrying amount of the asset when it is probable that future economic benefits deriving from the cost incurred will flow to the enterprise and the cost of the item can be measured reliably.

The cost of replacing part of an item of property, plant and equipment is recognized in the carrying amount of the item if it is probable that the future economic benefits embodied within the part will flow to the Company and its cost can be measured reliably. The carrying amount of the replaced part is derecognized. The costs of the day-to-day servicing of Property, Plant and Equipment are recognized in profit or loss as incurred.

iii) De-recognition

Property, Plant and Equipment are derecognized when no future economic benefits are expected from their use or upon their disposal. Gains and losses on disposal of an item of property, plant and equipment are determined by comparing the proceeds from disposal with the carrying amount of property, plant and equipment, and are recognized in the statement of profit and loss.

iv) Depreciation

Depreciation is recognized in statement of profit or loss on a written down value over the estimated useful life of each item of Property, Plant and Equipment.

Depreciation on additions to/deductions from property, plant and equipment during the year is charged on pro-rata basis from/up to the date on which the asset is available for use/disposed.

Depreciation on property, plant and equipment is provided on their estimated useful life as prescribed by Schedule II of Companies Act, 2013 as follows:

1) Buildings	30 years
2) Plant & Machinery	15 years
3) Furniture & Fixtures	10 years
4) Vehicles	08 years
5) Office Equipments	05 years
6) Electrical Installation	10 years
7) Computer	03 years
8) Leasehold Improvements	Over the period of lease

The residual value, useful life and methods of PPE are reviewed at each financial year end and adjusted prospectively.

2.06 Capital work-in-progress

The cost of self-constructed assets includes the cost of materials & direct labour, borrowing costs, any other costs directly attributable to bring the assets to the location and condition necessary for it to be capable of operating in the manner intended by management.

2.07 Intangible assets

i) Initial recognition and measurement

An intangible asset is recognized if and only if it is probable that the expected future economic benefits that are attributable to the asset will flow to the company and the cost of the asset can be measured reliably. Intangible assets that are acquired by the Company, which have infinite useful lives, are recognized at cost less accumulated impairment losses, if any. Cost includes any directly attributable incidental expenses necessary to make the assets ready for its intended use.

(a) Intangible assets acquired separately

Intangible assets with finite useful lives that are acquired separately are carried at cost less accumulated amortisation and accumulated impairment losses. Amortisation is recognised on a straight-line basis over their estimated useful lives. The estimated useful life and amortisation method are reviewed at the end of each reporting period, with the effect of any changes in estimate being accounted for on a prospective basis.

Intangible assets with indefinite useful lives are carried at cost less accumulated impairment losses.

(b) Intangible assets acquired in a business combination

Intangible assets other than goodwill acquired in a business combination are initially recognised at their fair value at the acquisition date (which is regarded as their cost). Subsequent to initial recognition, such intangible assets acquired in a business combination are reported at cost less accumulated amortisation and accumulated impairment losses, on the same basis as intangible assets that are acquired separate

a. Disclosures relating to fair valuation of investment property

Fair value of the above investment property comprises of following mentioned property:

- Property owned by the company situated at Office No. 412,4th Floor, B lting, Express Zone, VI/estern Express Highway, Goregaon(East), Mumbai-400097 has been valued by Value Edge Professionals Pvt Ltd (Registered Valuer) having Reg No. IBBI/RvE/02/2022/159 at a Fair Value of Rs. 194 Lakhs vide Certificate no. 2022-23/05/VEP/FMV/100-10 dated 15th May'2022.
- Property owned by the company situated at OIjice No. 1001, 10th Floor, B Wing, Express Zone, Western Express Highway, Goregaon(East), Mumbai-400097 has been valued by Value Edge Professionals Pvt Ltd (Registered Valuer) having Reg No. IBBI/RvE/02/2022/159 at a Fair Value of Rs. 496 Lakhs vide Certificate no. 2022-23/05/VEP/FMV/100-09 dated 15th May'2022.
- Property owned by the company situated at Office No. 412,4th Floor, B Wing, Express Zone, western Express Highway, Goregaon(East), Mumbai-400097 has been valued by Value Edge Professionals Pvt Ltd (Registered Valuer) having Reg No. IBBI/RE/02/2022/159 at a Fair Value of Rs.165 Lakhs vide Certificate no. 2022-23/05/VEP/FMV/100-10 dated 15th May'2022.

Fair Value Hierarchy

The fair value of investment property has been determined by external independent property valuers, having appropriate recognised professional qualification and recent experience in the location and category of the property being valued. The fair value measurement for all of the investment property has been categorised as a level 3 fair value based on the inputs to the valuation techniques used.

Description of valuation technique used

The Investigations for this valuation exercise are 'carried out according to IVS 102.20. Investigations made during the course of this valuation assignment have been appropriately carried away for the purpose of the valuation assignment and the basis of value. Sufficient evidences have been assembled by means of inspection, inquiry, computation and analysis to ensure that the valuation is properly supported. The following are the nature and sources of information upon which we relied upon:

- i. Circle Rates Notified by the concerned authority for the respective area.
- ii. Sale Deed for area calculations and other verifications.
- iii. Rates Prevailing in Open Market for Commercial Property in the Vicinity.

b. **Premises given on lease:**

The Company has given investment property (land and building) on operating lease for 3 years and is renewable for further as per mutually agreeable terms.

	Current	Non-current	Current	Non-current
Gratuity	3.64	30.51	0.68	6.72
Total	3.64	30.51	0.68	6.72

A Disclosure of gratuity

(i) Amount recognised in the statement of profit and loss is as under:

Particulars	As at March 31, 2022	As at March 31, 2021
Current service cost	6.41	2.46
Net interest cost (income)	0.69	0.59
Net impact on profit (before tax)	7.10	3.06
Actuarial loss/(gain) recognised during the year	2.42	(4.65)
Amount recognised in total comprehensive income	9.52	(1.59)

(ii) **Change in the present value of obligation:**

Particulars	As at March 31, 2022	As at March 31, 2021
Present value of defined benefit obligation as at the beginning of the year	7.41	9.00
Addition : Business Combination	17.71	-
Current service cost	6.41	2.46
Interest cost	0.69	0.59
Benefits paid	-	-
Actuarial loss/(gain)	2.42	(4.65)
Past Service Cost	-	-
Present value of defined benefit obligation as at the end of the period	34.64	7.41

 (iii) **Reconciliation of present value of defined benefit obligation and the fair value of assets:**

Particulars	As at March 31, 2022	As at March 31, 2021
Present value of funded obligation as at the end of the year	34.64	7.41
Fair value of plan assets as at the end of the period funded status	-	-
Unfunded/funded net liability recognized in balance sheet	34.64	7.41

 (iv) **Breakup of actuarial (gain)/loss:**

Particulars	As at March 31, 2022	As at March 31, 2021
Actuarial (gain)/loss from change in demographic assumption	-	-
Actuarial (gain)/loss from change in financial assumption	(0.74)	0.21
Actuarial (gain)/loss from experience adjustment	3.16	(4.86)
Total actuarial (gain)/loss	2.42	(4.65)

 (v) **Actuarial assumptions**

Particulars	As at March 31, 2022	As at March 31, 2021
Discount rate	6.55 to 6.6%	6.20%
Rate of increase in compensation levels	7.00%	7.00%
Withdrawal Rates	15% p.a. at all age	15% p.a. at all age
Retirement age	65 to 75 yrs.	75 yrs.

Notes:

- 1) The discount rate is based on the prevailing market yield of Indian Government bonds as at the balance sheet date for the estimated terms of obligations.
- 2) The estimates of future salary increases considered takes into account the inflation, seniority, promotion and other relevant factors.

(vi) **Sensitivity analysis for gratuity liability**

Particulars	As at March 31, 2022	As at March 31, 2021
Impact of change in discount rate		
Present value of obligation at the end of the year		
- Decrease due to increase of 0.5 %	24.70	7.69
- Increase' due to decrease of 0.5 %	113.47	7.14
Impact of change in salary increase		
Present value of obligation at the end of the year		
- Increase due to increase of 0.5 %	23.42	7.15
'- Decrease due to decrease of 0.5 %	24.70	7.68
Impact of withdrwal rate		
-Withdrwal rate * 110 %	17.81	7.58
-Withdrwal rate * 90 %	17.56	7.24
Impact of Mortality rate		
-Mortality rate * 110 %	34.64	7.41
-Mortality rate * 90 %	34.64	7.41

The above sensitivity analysis is based on a change an assumption while holding all other assumptions constant. In practice, this is unlikely to occur and changes in some of the assumptions may be correlated. When calculating the sensitivity of the defined benefit obligation to significant actuarial assumptions the same method (present value of the defined benefit obligation calculated with the projected unit credit method at the end of the reporting period) has been applied which was applied while calculating the defined benefit obligation liability recognised in the balance sheet.

The methods and types of assumptions used in preparing the sensitivity analysis did not change compared to previous year

 (vii) **Maturity profile of defined benefit obligation**

Particulars	As at March 31, 2022	Year Ended March 31, 2021
Within next 12 months	4.14	0.68
Between 1-5 years	17.68	3.37
Beyond 5 years	35.74	8.75

B Defined Contribution Plan

Particulars	As at March 31, 2022	Year Ended March 31, 2021
Contribution to Provident and other funds	5.24	0.30
Total	5.24	0.30

45 Related Party Disclosure

- (i) The related parties as per terms of Ind AS-24, " related Party Disclosure" , (specified under section 133 of the Companies Act , 2013, read with rule 7 of (Accounts) Rule , 2015) and Section 188 of Companies Act, 2013 are disclosed below :-

Related Parties with whom transactions have taken place during the year :

(i) Key Management Personnel/Directors

Mr. Vivek Garg (Managing Director), (Resigned on 15.02.2022)

Mr. Sundeep Kumar Dhawan (Managing Director Vikas Lifecare Limited) , (Appointed on 15.02.2022)

Mr. Sundeep Kumar Dhawan (Director Genesis Gas Solutions Private Limited) , (Appointed on 11.03.2022)

Mr. Arvind Gupta (Director finance Cum CFO) (Appointed on 24.09.2021)

Ms. Ruby Basal (Independent Director) (Appointed on 24.09.2021)

Mr. Vikas Garg (Director) , (Resigned on 15.02.2022)

Mr Anil Kumar (Independent Director) (Appointed on 24.09.2021)

Ms Preeti Gupta (Independent Director) (Appointed on 25.08.2021 and Resigned on 15.02.2022)
 Ms. Meena (Independent Director) (Resigned on 24.09.2021)
 Ms. Richa Sharma (Director)
 Mr. Vijay Kumar Sharma (Director)
 Ms. Ujjwal Verma (Company Secretary) (Resigned on 29.04.2021)
 Ms. Rashika Gupta (Company Secretary) (Appointed as on 29.04.2021 and Resigned on 25.06.2021)

46 Information on Segment Reporting pursuant to Ind AS 108 - Operating Segments
Operating segments:

Real estate Division
 Trading Division -Polymers
 Trading Division -Agro
 Trading Division -Infrastructure
 Manufacturing Division- Cashew Nuts
 Manufacturing Division- Polymers
 Trading Division -Gas Meter

Identification of segments:

The chief operational decision maker monitors the operating results of its business segments separately for the purpose of making decisions about resource allocation and performance assessment. Segment performance is evaluated based on profit and loss of the segment and is measured consistently with profit or loss in these financial statements. Operating segments have been identified on the basis of the nature of products.

Segment revenue and results

The expenses and income which are not directly attributable to any business segment are shown as unallocable expenditure (net of unallocable income).

Segment assets and liabilities:

Assets used by the operating segments mainly consist of property, plant and equipment, trade receivables, cash and cash equivalents and inventories. Segment liabilities include trade payables and other liabilities. Common assets and liabilities which cannot be allocated to any of the segments are shown as a part of unallocable assets/liabilities.

The measurement principles of segments are consistent with those used in preparation of these financial statements. There are no inter-segment transfers

47 Fair value disclosures
i) Fair values hierarchy

All assets and liabilities for which fair value is measured or disclosed in the Standalone Financial Statements are categorised within the fair value hierarchy, described as follows:

Level 1: Quoted prices (unadjusted) in active markets for financial instruments.

Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data rely as little as possible on entity specific estimates.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3.

Financial assets and liabilities measured at fair value - recurring fair value measurements

As at March 31, 2022	Level 1	Level 2	Level 3	Total
Assets at fair value				
Investments measured at fair value through other comprehensive Income	0.78	-	3,024.00	3,024.78
Investments measured at fair value through profit and loss	5,350.86	-	-	5,350.86
Total	5,351.64	-	3,024.00	8,375.64

As at March 31, 2021	Level 1	Level 2	Level 3	Total
Assets at fair value				
Investments measured at fair value through other comprehensive Income	332.39	-	-	332.39

Total	332.39	-	-	332.39
--------------	---------------	---	---	---------------

There have been no transfers between levels during the period.

Valuation process and technique used to determine fair value

- (i) The management assessed that fair value of cash and cash equivalents, trade receivables, trade payables, bank overdrafts and other current financial assets and liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments.
- (ii) The fair values of the equity investment which are quoted, are derived from quoted market prices in active markets. The Investments measured at fair value and falling under fair value hierarchy Level 3 are valued on the basis of valuation reports provided by external valuers with the exception of certain investments, where cost has been considered as an appropriate estimate of fair value because of a wide range of possible fair value measurements and cost represents the best estimate of fairvalues within that range.
- (iii) The fair value of non-current borrowings carrying floating-rate of interest is not impacted due to interest rate changes, and will not be significantly different from their carrying amounts as there is no significant change in the under-lying credit risk of the Company (since the date of inception of the loans).

(ii) Fair value of instruments measured at amortised cost

(Figures in Lakhs.)

Fair value of instruments measured at amortised cost for which fair value is disclosed is as follows:

Particulars	As at March 31, 2022		As at March 31, 2021	
	Carrying value	Fair value	Carrying value	Fair value
Financial assets				
Loans	2,154.17	2,154.17	607.44	607.44

Total financial liabilities	10,000.12	10,000.12	7,971.24	7,971.24

ii) Financial Risk Management

The Company's activities expose it to market risk, liquidity risk and credit risk. The Company's board of directors has overall responsibility for the establishment and oversight of the Company's risk management framework. This note explains the sources of risk which the entity is exposed to and how the entity manages the risk and the related impact in the financial statements.

Risk	Exposure arising from	Measurement
Credit risk	Cash and cash equivalents, trade receivables, financial assets measured at amortised cost	Ageing analysis
Liquidity risk	Borrowings and other liabilities	Rolling cash flow forecasts
Market risk - interest rate	Borrowings at variable rates	Sensitivity analysis

A) Credit risk

Credit risk is the risk that a counterparty fails to discharge an obligation to the Company. The Company is exposed to this risk for various financial instruments, for example by granting loans and receivables to customers, placing deposits, etc. The Company's maximum exposure to credit risk is limited to the carrying amount of following types of financial assets.

- cash and cash equivalents,
- trade receivables,
- loans & receivables carried at amortised cost, and

- deposits with banks

a) Credit risk management

The Company assesses and manages credit risk based on internal credit rating system, continuously monitoring defaults of customers and other counterparties, identified either individually or by the Company, and incorporates this information into its credit risk controls. Internal credit rating is performed for each class of financial instruments with different characteristics. The Company assigns the following credit ratings to each class of financial assets based on the assumptions, inputs and factors specific to the class of financial assets.

(a) Low credit risk

(b) Moderate credit risk

(c) High credit risk

Assets under credit risk –

Credit rating	Particulars	As at March 31, 2022	As at March 31, 2021
A: Low	Investments	8,375.64	332.39
	Other financial assets	529.22	760.23
	Cash and cash equivalents	770.46	18.75
	Trade receivables	5,112.81	7,125.85
	Loan	2,154.17	607.44
B: Moderate Credit Risk			
C: High Risk	Trade receivables	-	-

Financial instruments and cash deposits

Credit risk from balances/investments with banks and financial institutions is managed in accordance with the Company's treasury risk management policy. Investments of surplus funds are made only with approved counterparties and within limits assigned to each counterparty. The limits are assigned based on corpus of investable surplus and corpus of the investment avenue. The limits are set to minimize the concentration of risks and therefore mitigate financial loss through counterparty's potential failure to make payments

Trade receivables and other financial assets

The Company has established a credit policy under which each new customer is analysed individually for creditworthiness before the payment and delivery terms and conditions are offered. The Company's review includes external ratings, if they are available, financial statements, credit agency information, industry information and business intelligence. Sale limits are established for each customer and reviewed annually. Any sales exceeding those limits require approval from the appropriate authority as per policy.

In monitoring customer credit risk, customers are grouped according to their credit characteristics, including whether they are an individual or a legal entity, whether they are a institutional, dealers or end-user customer, their geographic location, industry, trade history with the Company and existence of previous financial difficulties.

Expected credit loss for trade receivables:

The Company based on internal assessment which is driven by the historical experience/ current facts available in relation to default and delays in collection thereof, the credit risk for trade receivables is considered low. The Company estimates its allowance for trade receivable using lifetime expected credit loss.

Loan & Other financial assets measured at amortised cost includes security deposits, fixed deposits loan to related parties and others. Credit risk related to these other financial assets is managed by monitoring the recoverability of such amounts continuously, while at the same time internal control system in place ensure the amounts are within defined limits.

(i) Provision for Expected Credit losses

(Figures in Lakhs.)

As at March 31, 2022	Estimated gross carrying amount at default	Expected credit losses	Carrying amount net of impairment provision
Cash and cash equivalents	770.46	-	770.46

Amount used during the period				
As at March 31, 2021	314.84	221.19	-	93.65
Additional Provision during the year	106.57	43.94	48.30	14.33
Amount used during the period	-			
As at March 31, 2022	421.41	265.13	48.30	107.98

B) Liquidity risk

Liquidity risk is the risk that the Company may encounter difficulty in meeting its present and future obligations associated with financial liabilities that are required to be settled by delivering cash or another financial asset. The Company's objective is to, at all times maintain optimum levels of liquidity to meet its cash and collateral obligations. The Company requires funds both for short term operational needs as well as for long term investment programs mainly in growth projects. The Company closely monitors its liquidity position and deploys a robust cash management system. It aims to minimise these risks by generating sufficient cash flows from its current operations, which in addition to the available cash and cash equivalents, liquid investments and sufficient committed fund facilities, will provide liquidity.

a) Financing arrangements

(i) The Company had access to the following undrawn borrowing facilities at the end of the reporting period: Nil

(Figures in Lakhs.)

Floating rate	Investment	Investment
- Expiring within one year (cash credit and other facilities- fixed rate)	-	-
- Expiring beyond one year (bank loans)	-	-
Total	-	-

(ii) Cash outflow for borrowing during year

Amount Allocated towards	Investment	Investment
	-	-
Opening Balance	3,171.93	4,056.40
- Principal Borrowed	87.95	419.78
- Principal Repayment	2,778.11	1,694.73
- Interest and Processing fees	175.11	390.48
Total	656.88	3,171.93

b) Maturities of financial liabilities

The tables below analyse the Company's financial liabilities into relevant maturity. Company's based on their contractual maturities for all non-derivative financial liabilities.

The below table analyses the Company's non-derivative financial liabilities as at the reporting date, into relevant maturity groupings based on the remaining period (as at that date) to the contractual maturity date. The amounts disclosed in the below table are the contractual undiscounted cash flows.

(Figures in Lakhs.)

Particulars	Carrying Amounts	Less than 1 year	1-3 year	3-5 year	More than 5 years	Total
Borrowings	2,307.70	2,197.45	13.51	148.02	-	2,358.98

Other financial liabilities	1,028.34	29.91	-	-	-	29.91
Total		2,314.04	13.51	167.02	-	2,494.57
As at March 31, 2021						
Particulars	Carrying Amounts	Less than 1 year	1-3 year	3-5 year	More than 5 years	Total
Borrowings	4175.68	4,180.98	38.80	558.17	-	4,777.95
Trade payable	3765.65	3,765.65	-	-	-	3,765.65
Other financial liabilities	29.91	29.91	-	-	-	29.91
Total	6923.91	6,355.79	38.80	558.17	-	6,952.76

Impact of Covid 19 pandemic- Based on recent trends observed, profitability, cash generation, cash surpluses held and borrowing lines available, the Company does not envisage any material liquidity risks. Future outlook will depend on how the pandemic develops and the resultant impact on businesses.

C) Market Risk
a) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market rates. The Company's exposure to the risk of changes in market rates relates primarily to the Company's non-current debt obligations with floating interest rates.

As the Company does not have exposure to any floating-interest bearing assets, or any significant long-term fixed-interest bearing assets, its interest income and related cash inflows are not affected by changes in market interest rates

Interest rate risk exposure

Below is the overall exposure of the Company to interest rate risk:

(Figures in Lakhs.)

Particulars		
Variable rate borrowing	2,307.70	4,175.68
Fixed rate borrowing	-	-
Total borrowings	2,307.70	4,175.68

Sensitivity

Below is the sensitivity of profit or loss and equity changes in interest rates.

(Figures in Lakhs.)

Particulars		
Interest sensitivity*		
Interest rates – decrease by 100 bps*	(23.08)	(41.76)
Interest rates – increase by 100 bps*	23.08	41.76

* Holding all other variables constant

b) Foreign Currency Risk

Foreign exchange risk arises on future commercial transactions and on all recognised monetary assets and liabilities, which are denominated in a currency other than the functional currency of the Company. The Company's management has set a policy wherein exposure is identified, a benchmark is set and monitored closely, and accordingly suitable hedges are undertaken. The policy also includes mandatory initial hedging requirements for exposure above a threshold.

The Company's foreign currency exposure arises mainly from foreign exchange imports and exports primarily with respect to USD.

As at the end of the reporting period, the carrying amounts of the Company's foreign currency denominated monetary assets and liabilities in respect of the primary foreign currency i.e. USD and derivative to hedge the exposure, are as follows:

Particulars	-	-
USD exposure		
Assets:-	-	-
Trade Receivables	1,177.92	189.86
Liabilities:-	-	-
Trade Payables	810.89	657.56
Net Exposure	367.03	-467.70

Foreign currency sensitivity analysis

The following table demonstrate the sensitivity to a reasonable possible change in USD exchange rate, with all other variables held constant. The impact on the Company's profit before tax due to changes in the fair value of monetary assets and liabilities and derivatives is as follows:

Particulars	-	-
If INR had strengthened) against USD by 5% Decrease in profit for the year	18.35	(23.39)
If INR had weakened against USD by 5% increase in profit for the year	(18.35)	23.39

Based on the movements in the foreign exchange rates historically and the prevailing market conditions as at the reporting date, the Company's Management has concluded that the above mentioned rates used for sensitivity are reasonable benchmarks.

c) Competition and Price Risk

The Company faces competition from competitors. Nevertheless, it believes that it has competitive advantage in terms of high quality products and by continuously upgrading its expertise and range of products to meet the needs of its customers.

d) Equity price risk management

The Company's exposure to equity price risk arises from investment held by the Company and classified as FVTOCI. In general, these investments are strategic investments and are not held for trading purposes. Reports on the equity portfolio are submitted to the Company's senior management on a regular basis

(i) Equity price risk sensitivity analysis

The Company's exposure to equity price risk arises from investment held by the Company and classified as FVTOCI. In general, these investments are strategic investments and are not held for trading purposes. Reports on the equity portfolio are submitted to the Company's senior management on a regular basis

49 Capital management

For the purpose of the Company's capital management, capital includes issued equity capital and all other equity reserves attributable to the equity holders of the Company. The primary objective of the Company's capital management is to ensure that it maintains a strong credit rating and healthy capital ratios in order to support its business and maximise shareholder value.

The Company manages its capital structure and makes adjustments to it in light of changes in economic conditions and the requirements of the financial covenants. The Company monitors capital using a gearing ratio, which is net debt divided by total capital plus net debt. The Company's policy is to keep the gearing ratio optimum. The Company includes within net debt, interest bearing term loans and working capital borrowings.

(a) Debt equity ratio

Particulars	-	-
Total debt	2,307.70	4,175.68
Less: Cash & Cash Equivalent	770.46	18.75
Net debt	1,537.24	4,175.68
Total equity	19,940.50	6,666.96
Net debt to equity ratio	0.08	0.63
